'Big Cut' Marshall Declares

Both Parties to Join in Fight to Prevent Reduction Foreign Aid Bill

WASHINGTON, June 4—(AP)—A group of House Republicans decided informally today to join Democrats in fighting cuts in the foreign aid bill.

The house appropriations committee has recommended a slash of $533,000,000 in the multi-billion dollar aid measure.

Secretary of State Marshall declared such a cut would turn the European recovery program into a "mere relief" project.

Rep. Dirksen (R-Ill) told newsmen he will offer amendments to restore the committee's cuts. Dirksen said a "substantial bloc" of Republicans has agreed to support him. He did not say how many.

House Democratic leader Rayburn of Texas previously had announced that Democrats would oppose the cuts.

Look For Action Soon

Dirksen made his announcement as the house prepared to take up the bill. Leaders aimed for final action by nightfall.

Marshall authorized this direct quotation at a news conference: "The reduction proposed would, I consider, alter the European program from one of reconstruction to one of mere relief."

Marshall spoke as the house headed into a bitter fight over the proposed slash in funds.

The secretary said in response to a question that if the cut which was recommended yesterday by the house appropriations committee is confirmed by congress, it will have a most serious effect on the political situation in Europe.

He was reminded that a year ago tomorrow he first proposed the Marshall plan for European recovery, in a speech at Harvard university, but he said that he had no anniversary sentiments to express.

"Huge Reduction"

The reporter who asked Marshall's comment on the fund slash referred to it as "some reduction" proposed by the house committee.

Marshall's first response was to repeat the words "some reduction." Then he gave a short, sharp laugh which suggested that he considered the reduction huge.

He said:

"The position of the department and mine personally, has been stated a number of times and I don't think it requires clarification. The reduction proposed would, I consider, alter the European program from one of reconstruction to one of mere relief."

Administration supporters were expected to make a major drive to restore cuts voted yesterday by the appropriations committee in recommending $5,980,710,288 to finance the global recovery program enacted two months ago.

Cut Near Billion

Chairman Taber (R-NY) said the actual cut in funds is nearer one billion dollars since the money would have to last fifteen months instead of the year planned by the administration.

This is 26.7 percent less cash than requested by President Truman to carry out the Marshall plan for western Europe and aid to Greece, Turkey and China.

The house leadership called a mid-morning session in hopes of passing the bill on to the senate by nightfall.

Paul G. Hoffman, head of the economic cooperation administration, said he "certainly hopes" congress approves full amount.

The committee trimmed $245,000,000 from the requested $4,000,000,000 ECA fund destined for the 14 western European nations.

Other Cuts

Other cuts recommended: Greek and Turkish aid — From $275,000,000 to $200,000,000; Chinese aid — From $483,000,000 to $400,000,000; government and relief in occupied areas — From $1,400,000,000 to $1,250,000,000.

In addition the committee recommended that $20,000,000 earmarked for Trieste should come from ECA funds.

Paid $4,500 For Cow

KANSAS CITY, June 4.—(AP)—The top price of $4,500 was paid for a cow at the sale of 71 head of cattle yesterday at the 63rd annual convention of the Holstein-Friesian Association of America.

The cow was Pabst Reburke Rag Apple, purchased by Jose Leon, of Buenos Aires, from Pabst-Knutson, of Oconomowoc, Wis. Manning Farm of Manning, Ia., paid $4,000 for the leading bull, Pabst Roamer Gallant, consigned by Pabst Farms, Inc., Oconomowoc.

Sale receipts totaled $88,765, or an average of $1,250.20 a head.

Babe Born With Four Ears, Eyes, Hands, Teeth, Feet

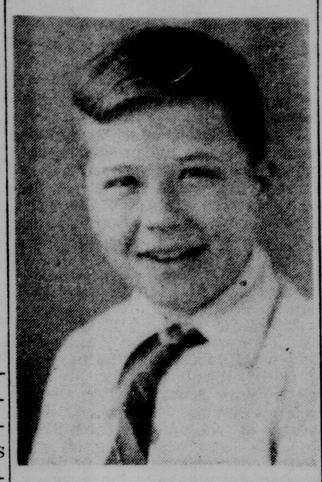

MANILA, June 4.—(AP)—Birth of a baby with four each of ears, eyes, hands, teeth and feet was reported today from Cabanatuan, Central Luzon.

A Philippines constabulary lieutenant named Desacola said the infant died a few minutes after delivery last night.

PARSONS, Kas., June 4.—(AP)—The Freedom Train moved to Joplin, Mo., today, after attracting 8,098 persons here yesterday.

Killed Instantly

Richard Roy Bohon, 13, son of Mr. and Mrs. L. Z. Bohon, 323 East Fourteenth street, was instantly killed Thursday evening when a dump truck in which he was riding overturned near Cole Camp.

Sedalia Boy Killed When Truck Ditched

Richard Roy Bohon, 13, Dies Under a Pile of Gravel

Richard Roy Bohon, 13, son of Mr. and Mrs. L. Z. Bohon, 323 East Fourteenth street, was killed instantly, when a dump truck in which he and seven other young boys were riding overturned on the Ball Town road, six miles south of Cole Camp, Thursday afternoon about 5 o'clock.

The Ford dump-truck, loaded with gravel, in which four of the boys, including Richard Bohon were riding on the load, and the other four inside the cab, was heading toward Sedalia from getting a load of gravel at the Crysler farm, located outside of Cole Camp.

According to the driver's statement, Jimmy Bishop, 18, son of Mrs. Shirley Bishop, 1208 South Washington avenue, an on-coming car heading west, was taking up the middle of the road, and he was forced to turn further to his side of the horse-shoe curve road, whereby the side wheels slipped into a ditch, and causing the truck to overturn. The passing automobile, described as a 1940 Plymouth, did not stop, it is said.

Three of Boys Jumped

When the truck overturned, three of the boys jumped in time to escape serious injury, but Bohon remained on the truck bed to late to escape, being crushed to death by piling gravel, which covered his body, and had to be shoveled sufficiently before the body could be removed.

The body was taken to the Renz funeral home in Cole Camp. Dr. T. S. Reser, Cole Camp, coroner of Bention County, viewed the body at the scene of the accident, and stated that an inquest was not necessary.

Several of the boys received minor bruises and lacerations, and were given emergency treatment at the Renz funeral home in Cole Camp.

Mrs. L. Z. Bohon, the boy's mother, and Mrs. Josephine Johnson, upon hearing of the fatality, immediately went to Cole Camp.

The boys who were riding in and on the truck were: Jimmy Bishop, 18; Harold Bishop, 13, David Johnson, 14, Paul Johnson, 11 and Eugene Bohon 15, the latter two brothers of Richard.

The boys had ridden with Bishop to a creek where they went swimming while the truck was being loaded with gravel.

Born in Sedalia

Richard Roy was born February 2, 1935 in Sedalia. He was reared here and attended the St. Patrick's Catholic church and would have been in the seventh grade this year. He was a member of the St. Patrick's Catholic church.

Surviving him besides the parents are the following brothers and sisters: Miss Barbara, Miss Rene, Eugene, Norman Charles, Sheridan and Mary Caroline.

The funeral services will be conducted at St. Patrick's Catholic church at 9 o'clock Saturday morning, with the Rev. Father J. T. Nolan, officiating.

Pallbearers will be Curtis Shaw, "Dusty" Wiley, Kenny Carleton, James Askren, William Bohon and Robert Bohon, the latter two are cousins.

Interment will be in the Calvary cemetery.

The rosary will be recited at McLaughlin's funeral chapel at 8 o'clock tonight.

Jury Discharged In Third Trial

MARSHALL, Mo., June 4—(AP)—A circuit court jury which failed to agree was discharged last night in the third trial of John Shiles of Lexington, charged with second degree murder.

Shiles, 65-year-old cafe owner at Lexington, was arrested after the fatal shooting April 28, 1943 of Mason D. Wilson, 48, an electrician at the Sunflower Ordnance plant.

In the first trial at Lexington, Shiles was convicted and sentenced to serve five years. The Supreme court, however, ordered a new trial. The second trial, brought here on a change of venue, also ended in a conviction with a sentence of 15 years. The circuit court, however, granted him a new trial.

Swarm Around Mr. Truman's Private Car

He Champions Candidacy of Frank J. Lausche

By Ernest B. Vaccaro

ABOARD TRUMAN TRAIN EN ROUTE TO CHICAGO, June 4—(AP)—President Truman championed the candidacy of former governor Frank J. Lausche before a shirt sleeved crowd at Crestline, Ohio, today in the second platform appearance of his "non-partisan, bi-partisan trip."

Several hundred persons swarmed around Mr. Truman's private car as Lausche climbed aboard.

The president, enroute to Chicago for a major address tonight, described his audience as "the biggest gathering we have had anywhere" on the trip and added:

"I understand that this is the top of the world in Ohio.

"On this non-partisan, bi-partisan trip that we are taking here I understand there are a whole lot of Democrats present, too."

Pleasure to See Him

"It is a pleasure to have been able to see the governor (Lausche). I know that he is going to be the next governor of Ohio."

The president, moving at a fast pace on his 16-car special train, got out early to meet a reception committee at Pittsburgh headed by Democratic mayor David Lawrence, County Commissioner John Kane and County Legion Commander William Forsythe.

The decision to talk at Crestline followed receipt of word that a crowd was gathering to welcome him. The president was applauded and cheered occasionally and the women waved their handkerchiefs.

CHICAGO, June 4— (AP) — President Truman's speech at the Swedish pioneer centennial observance tonight will be broadcast on a local basis by only one Chicago station — WGN—at 8 p. m. (CST).

There will be no direct network broadcasts.

The American Broadcasting company, however, plans to carry a recording of the speech from 8:35 p. m. to 9 p. m. Central Standard Time, and will repeat it from 10:35 p. m. to 11 p. m. Central Standard time.

The White House staff placed less emphasis on the "non-political" aspects of the trip as the day wore on. But presidential press secretary Charles G. Ross clung to his original announcement that none of Mr. Truman's speeches was being made under "political auspices."

Glad to See People

He spoke of himself as a White House prisoner and of his delight in getting away "to see the people as the are."

"The president you know is virtually in jail," he said. "He goes from his study to his office and from his office to his study and he has to have guards there all the time. And they do a good job, too. — I am not criticizing the guards — but when you get out and see the people and find out what people are thinking about you can do a better job as president of the United States."

The stop took about 12 minutes. Commander Forsythe presented the chief executive with an "Americanism Day" cartoon by Cy Hungerford, Pittsburgh Post cartoonist, asserting it represented "the spirit of our times."

Political Roots There

He said he regretted Mr. Truman's family tree was not planted in Allegheny county, "but I think your political vine has its roots here."

The president thanked him and asserted: "I'm hopeful that the political vine will take root in Allegheny county. I think it already has."

Commissioner Kane is an old friend of Mr. Truman's. He was one of those who urged his candidacy for vice president in 1944 and made one of the nominating speeches at the 1944 convention. Both he and Mayor Lawrence have been White House callers.

Will Act on Bill

President Truman will act on the Bulwinkle bill to exempt railroad rate making from the anti-trust laws before his return to Washington. Press secretary Ross said the bill was brought aboard the special train last night and that Mr. Truman is considering it. He has several days in which to act.

A courier plane will leave Washington every day except on Sunday to fly important papers to the president's train from presidential secretary William D. Hassett and presidential assistant John R. Steelman who are carrying on at the White House in Mr. Truman's absence.

He told correspondents as he boarded the 16-car special train at Washington last night that "if I felt better, I couldn't stand it."

Mr. Truman had no parting message for newsmen.

"You will get plenty of messages as we go along," he said.

Voorhees Nominated

WASHINGTON, June 4.—(AP)—President Truman today nominated Tracy S. Voorhees, New York attorney, as assistant secretary of the army.

Voorhees, 56, was an army officer in the last world war.

Marshall Land Owner Dies

MARSHALL, Mo., June 4.—(AP)—Garnett R. Hutcherson, 68, land owner and livestock feeder, died yesterday of a heart attack. He served as sheriff of Saline county from 1924 to 1928.

Newsmen Gazed at Saturn but They Couldn't See Much

PALOMAR MOUNTAIN, Calif., June 4—(AP)—Astronomers ushered in a new scientific era today as they prepared to tackle the mysteries of the universe with the 200-inch Hale telescope — mankind's "window to the stars."

The giant telescope-camera on top of Palomar Mountain in Southern California was dedicated formally yesterday by some of the nation's top-ranking scientists. It will afford them twice the space-penetrating power of any instrument previously at their disposal.

Newsmen who took their first peek through the "Big Eye" last night labeled the show something of a disappointment.

They gazed at the planet Saturn but said they couldn't see much. Saturn, 71,500 miles across, appeared as a globe about two inches wide.

Astronomers patiently explained however, that looking through the telescope is meaningless. It wasn't designed for that.

To Take Photographs

When further tests are completed and additional equipment installed, the "Big Eye" will be used to take photographs. The photos will show reflections in the telescope's 143¾ ton mirror of light from as far distant as one billion light years.

These photographs, or prismatic spectographs, will be studied and analyzed painstakingly at California Institute of Technology.

Thus the temporary installation of a direct-view eyepiece for the "look-sees" last night was really a dedication stunt.

Dr. Raymond B. Fosdick, president of the Rockefeller Foundation which furnished $6,500,000 for the 20-year-project, put it this way:

"This great new window to the stars . . . will dramatize the questions which mankind has always asked. Are there other planets that have burst into consciousness like our own? Is there an answering intelligence anywhere in space? (Life on Mars?) and finally, in the words and spirit of the psalmist, "What is man?"

State Budget Will Balance, Some Reserve

Result After Gov. Finished Work on Appropriation Bill

JEFFERSON CITY, June 4—(AP)—Missouri's record 1948-49 will balance if all goes well and there will be an estimated nine to ten million dollars in the post-war reserve fund.

That was the end result yesterday when Gov. Phil M. Donnelly finished work on the 1948 legislative session's appropriation bills after trimming them down to a total of approximately $274,840,000.

To reach it he slashed more than $5,000,000 in postwar reserve funds which had been earmarked for a building program at state colleges and counted an unexpected windfall of $3,000,000 in state income taxes which popped up in revised estimates of collections.

It will be close, the governor said, but the budget will balance.

This is what he did in the final catch-all appropriations bill:

Approved Building Program

Approved a building program for state hospitals which gives $600,000 each to the institutions at Fulton, St. Joseph, Nevada, Farmington and Marshall-Carrollton and $408,000 to the tuberculosis sanatorium at Mt. Vernon.

Approved $359,025 to establish merit system pay scales and $423,660 for the eight-hour day at the state mental hospitals.

Approved $2,000,000 for a state office building in Jefferson City.

Cut out most of the buildings allocated to the state universities and colleges — including a controversial $400,000 allotment to build a separate Negro law school for Negroes in St. Louis. The governor said that if a separate school is to be built, it should be located in Jefferson City with the rest of Lincoln university.

Now Rents Building

The Negro law school rents its St. Louis quarters now.

Donnelly did not mention the controversy over separate Negro education which led one senator to predict that segregation would be obsolete in a few years and therefore funds for separate Missouri white and Negro schools would be wasted.)

Altogether the governor's omnibus bill cuts totaled about $5,319,000.

The governor also approved, reluctantly, a special $2,500,000 fund to be distributed as extra state aid for public schools.

Largest Graduating Class in 106 Years

COLUMBIA, Mo., June 4.—(AP)—The largest graduating class in 106 years of University of Missouri commencements marched into Brewer Field House today for 1554 Seniors and graduate students—nearly half as many as in any previous year—to receive degrees.

The graduates heard Judge Laurance M. Hyde of the Missouri supreme court deliver a plea for a world in which the principles of the Declaration of Independence will ultimately become the foundation of a real international order.

"We must not only be against Communism," he said. "We must be for Democracy."

Gain in Population

CAPE GIRARDEAU, Mo., June 4.—(AP)—A pre-census test of Cape Girardeau shows a population of 4.53 per cent, or 20,307 residents now, compared with 19,426 in 1940.

Missing Child Found Unharmed

SPRINGFIELD, Mo., June 4.—(AP)—Glenda Denton, 5-year-old daughter of Mr. and Mrs. Ralph H. Denton, who had been missing from a farm home three miles west of Seligman, Mo., was found unharmed near there at midmorning today, the State Patrol here reported.

The youngster and her parents are from Wichita, Kas., and were visiting at the home of Milo Sweet, near Seligman.

A trooper radioed from the scene that Henry Pyles of near Seligman, found the girl three miles south of the Sweet home, but gave no other details.

Two hundred persons, including friends, neighbors and officers, had been searching for the youngster, who strayed away from the farm at about 6 o'clock last night.

Who Will Top First Ballot?

WASHINGTON, June 4.—(AP)—Who will top the first ballot at the Republican national convention?

That question was hotly debated today by backers of three leading GOP presidential candidates.

Supporters of Senator Robert A. Taft claimed a 25-vote margin over Gov. Thomas E. Dewey on the first crucial test.

Without breaking down their claims fully by States, the Taft camp contended it can count on 306 votes in the initial convention ballot.

The Ohioan's friends listed Dewey's opening total at 281, credited Harold E. Stassen with 149 and said 358 votes will go to favorite sons and others. A total of 548 is needed to nominate.

Disputing this, Herbert E. Brownell, Dewey's campaign manager, predicted the nomination of the New York governor without any long deadlock at the convention, which opens in Philadelphia June 21.

Stassen has predicted he will have 340 votes on the convention's first ballot. He tol da news conference in Des Moines yesterday the presidential race is "very definitely wide open."

To Abdicate On Sept. 4

THE HAGUE, June 4.—(AP)—Queen Wilhelmina of the Netherlands will abdicate on September 4, it was announced officially today.

Her daughter, Crown Princess Juliana, will assume the throne that day and be sworn in as queen two days later, the announcement said. Sept. 6 will be the fiftieth anniversary of Queen Wilhelmina's ascension to the throne.

Queen Wilhelmina, in poor health for months, announced a month ago that she would step down in September, but did not set the day. Her abdication will follow the celebration on Aug. 30 of her fiftieth anniversary as ruler over the Dutch empire.

Princess Juliana now is Princess Regent, her mother having relinquished her royal duties last month for the second time in a year, because of her health. The queen is 67. Juliana is 39, the mother of four daughters.

Refuses Athletic Commissionership

MARYVILLE, Mo., June 4—(AP)—Dr. M. C. Cunningham, dean of the Northwest Missouri State Teachers college, has turned down an offer to become commissioner of high school athletics in Missouri.

He said yesterday he had notified Carl Burris of Clayton, secretary of the board of control of the Missouri State High School Athletics Association, that he would not accept the newly-created position.

The board is scheduled to interview applicants June 8.

Joe Benson, principal of Smith-Cotton high school, is among several who are being considered for the commissionship. He is to appear before the board for an interview next Tuesday along with several others.

Installation Officers of Women's Club

Miss Lois Fricke President, Succeeds Mrs. Vivian McMullin

The meeting of the Business and Professional Women's Club met Thursday night at the Bothwell Hotel, at which time Miss Lois Fricke was installed as the new president.

Invocation was by Miss Grace Carter, with Miss Juanita Young as song leader and Mrs. W. L. Monegan at the piano.

The meeting was presided over by the president, Miss Vivian McMullin, who presented Miss Rosemary Burrowes, chairman of the Publicity and Publication committee, who was in charge of the program. Miss Burrowes introduced C. F. Renner, Jr., traffic representative from the Kansas City district, of Trans World Airlines, who took the group on a vacation trip by a travelogue picture from New York to the Southwest by plane. The picture was entitled: "Flight to the Sun."

Clever Decorations

Clever decorations combining events of the month of June and publicity brought much comment from the guests. Brides and bridegrooms, like those found in the old family albums, which had been made of cardboard and newspapers stood along the tables and in front of them were the old time camera of the days when people were told to watch the birdie. On the tables, also, were the names of various papers over the state cut and favors were miniature newspapers, "B. P. W. C. Chronicle."

Miss Burrowes' co-chairman, Mrs. Archie Wilson, planned the decorations and other members of the committee assisting were Miss Mary Ellen Merrill, Mrs. Paul Carpenter, Mrs. E. A. Jackson, Miss Alice Scott, Miss Una Sitton, Miss Georgia Sullivan and Mrs. Huber Chaney.

Delegates to Convention

Mrs. McMullin announced that the national convention to be held in Fort Worth, Tex., in July and called for nominations for two delegates and two alternates. Miss Hazel Palmer and Mrs. McMullin were nominated and elected as delegates and Mrs. W. J. Menefee as an alternate and a second alternate will be selected by Mrs. McMullin.

Mrs. John Murrell, first vice president, presented Mrs. McMullin, the retiring president, with the past president's pin and expressed the appreciation of the club for her work throughout her two years as president.

Mrs. McMullin thanked the club for the pin and for the co-operation of her officers and all of the members during the past year.

Miss Juanita Young wrote and planned the impressive candle light installation service that followed.

Installed Officers

With Mrs. Pearl Stuart as installing officer, Mrs. J. F. Schumacher as installing marshal, and Miss Emile Brunjes candle lighter, they installed Miss Fricke and the other new officers: Mrs. Everett White, first vice president; Mrs. Frank Wagner, second vice president; Mrs. Archie Wilson, secretary; Miss Phyllis Bush, treasurer; Mrs. N. L. Nelson, parliamentarian; Miss Hazel Barnett, historian; Mrs. Florence Elliott, chaplain; Mrs. Atwell Bohling, sergeant-at-arms; Miss Mary Ellen Merrill, custodian; Mrs. Vivian McMullin and Miss Margaret O'Connell, directors.

On the speakers' table were white tapers entwined with greenery and as the first candle was lighted Mrs. Stuart said that the tall center candle symbolized the club, the other candles the club i nits entirety.

Following the installation of the officers the chairman of the committees were called to the other side of the room, where they were installed. They were: Mrs. John W. Welch, chairman of Program Co-Ordination committee; Mrs. Frank Wagner, finance committee; Mrs. Herbert Berlin, Health committee; Mrs. H. J. Frederich; Hospitality; Mrs. A. H. Rush, International Relations; Miss Freda Mueller, Legislation; Mrs. Everett White, Membership; Mrs. W. L. Monegan, Music; Miss Hazel Palmer; Public Affairs, Miss Rosemary Burrowes; Publicity and Publication, Miss Mary Shanks; Radio, Miss Ann Sawford; Scholarship; Mrs. L. P. McClure, Social, and Mrs. W. H. Bond, Telephone.

During the installing of the officers Miss Evelyn Beach sang "The Golden Key," with Mrs. Donald Donath accompanying on the violin and Mrs. Monegan at the piano.

Mrs. McMullin then turned the gavel over to Miss Fricke, who closed the meeting.

Guests were: Miss Grace Young, of Chicago; Miss Harriet Turley, Mrs. J. M. Hinman, Mrs. Mary Wiley, Mrs. Harold Pittman, Miss Nancy Thoss, Mrs. Lodelle Morriss, Mrs. Richard Baile, Brookhaven, Mass., Mrs. B. F. Hufft, of St. Louis, Mrs. Carol McDougall and Miss Hazel Lang.

Woman Struck By Train

POPLAR BLUFF, June 4.—(AP)—Mrs. Peerl Masterson, 47, was struck by a Missouri Pacific train at a crossing here last night while returning to her home from a carnival. Doctors at a hospital said her condition is "extremely critical." She is the wife of Bill Masterson, a laborer.

Law Was Dry, Diapers Wet

OKLAHOMA CITY, June 4.—(AP)—The law was dry, the diapers were wet, and as for the proof—it ran about 90.

Prowler Car Officers R. L. Pratt and S. W. Stephens answered a call to a tavern. The barkeep said a woman with a small baby was bothering the trade.

At headquarters she suggested a change of didies for the infant.

Lt. Ed White started to hand her the diaper bag when he looked inside.

The two bottles there weren't the nursing type, and the formula was altogether wrong.

Even three-cornered pants won't put pints on the square in dry Oklahoma. The police circled the lady gently around behind the bars—their bars.

Important Events In The World Today

NANKING, June 4—(AP)—The United States warned China today that Chinese student demonstrations against American policy in Japan is creating an increasingly dangerous situation.

(Chinese government officials have charged Communist agitators with stirring up these demonstrations, which frequently have turned into riotous disorders.)

WASHINGTON, June 4—(AP)—The National Association of Real Estate Boards and the Washington Real Estate Board were acquitted in Federal district court today on a charge that they conspired to fix commissions.

BERLIN, June 4—(AP)—A new British control commission policy of removing the wartime stigma against Germans and treating them as equals was offocially revealed today.

Relations between British officials and Germans are being brought in line with a British government policy of building up German Democratic institutions and encouraging Germans to join in efforts to rehabilitate Europe, Gen. Sir Brian Robertson told a news conference.

WASHINGTON, June 4—(AP)—The White House announced today that President Truman has signed a bill appropriating $511,129,662 for operation of the State, Justice and Commerce Departments and the federal judiciary during the fiscal year starting July 1.

The total compares with presidential requests of $589,417,230 and does not include contract authority for $50,000,000, for which funds must be provided later.

TEL AVIV, Israel, June 4—(AP)—A naval engagement was fought in Tel Aviv bay today between a Jewish corvette and airplanes and a ship believed to be an Egyptian destroyer.

Feeling Pinch Of High Prices

ST. LOUIS, June 4.—(AP)—The Federal Reserve Bank said today more people are buying on credit, indicating their incomes are feeling the pinch of high prices, and the credit buying in turn is a sign of further pressure for higher prices.

"Until recently, consumers' incomes generally kept pace with rising prices," the bank's monthly review bulletin reported, "but there has been an increasing amount of buying financed on credit, one of the signs of growing pressure on consumers' incomes."

There is a prospect of lower prices on some farm products, the bank said, to offset partially the inflationary trends but voluntary price reductions in steel and electrical equipment are too widely scattered to be of any help.

Draft May be Up to Truman

WASHINGTON, June 4.—(AP)—A Senate Republican leader said today "there is a good chance" that any military manpower bill passed by congress will leave the actual draft call up to President Truman.

Senator Wherry (R-Neb), acting majority leader, told a reporter he favors an amendment to that effect offered yesterday by Senator Capehart (R-Ind.). A similar provision has strong support in the house.

"And I think it will have a lot of strength in the senate," Wherry said as senators began their second day of debate on the draft measure.

Senator Lodge (R-Mass.) also claimed "some support" for his amendment to allow recruiting of up to 50,000 young Europeans for overseas service with the American Army. After five years of honorable service they would be eligible for U. S. citizenship.

The bill would require all men from 18 through 25 to register, with unmarried non-veterans 19 to 25 subject to immediate call. Some 161,000 18-year-olds could enlist for one year of training or wait for a two-year term later.

Lewis Loses Decision

Ordered by Court To Bargain With Southern Coal Producers Assn.

WASHINGTON, June 4—(AP) — John L. Lewis today bowed to a federal court order directing him to bargain over a contract with the Southern Coal Producers Association.

The United Mine Workers chief announced through his attorneys that he would be ready to resume contract talks with coal operators, including the southern group, tomorrow afternoon.

Welly K. Hopkins, UMW counsel, told reporters the union and Lewis would be available for a meeting at 2 P. M. (EST) Saturday or at the same hour Sunday or at 11 a. m., Monday, June 7 to begin contract negotiations.

WASHINGTON, June 4—(AP)—John L. Lewis was ordered today to bargain with the Southern Coal Producers' Association or possibly face another fine for contempt of court.

Federal Judge T. Alan Goldsborough, who twice has fined Lewis and his United Mine Workers for contempt, issued the order.

Robert N. Denham, general counsel for the National Labor Relations Board, had asked that Lewis be directed to enter contract talks with the association, headed by Joseph E. Moody.

The judge said that it was apparent from the record that Lewis did not want to bargain with the southern association because he wanted to "destroy" it.

He suggested that the United Mine Workers chief might desire to bring about the destruction of the southern association "because it is harder to deal with" a single unit than with representatives of the 14 smaller associations through the south which make up the association.

"Unreasonable" Says Court

"Certainly it's unreasonable in this present case for the union to say 'We're entitled to one representative for 99 units and the Southern Producers Association is not entitled to one representative for 14 associations,'" he continued.

"That is not only not logical, but it is not reasonable," the judge said.

Neither Lewis nor Moody had any immediate comment on Goldsborough's decision.

The Southern Association chief scheduled a news conference for afternoon (1:30 p. m. CST).

The UMW said a statement was being considered, but nothing definite had been decided.

New contract talks between coal operators and Lewis broke down May 18 when Lewis refused to consent to Moody sitting at the conference table as the association's representatives.

Goldsborough said:

Affects Social Fabric

"This is a situation which of course affects our entire social fabric.

"x x x but when the time comes that any movement—whether labor or not—undertakes to carry out its wishes by methods which ultimately disinterate society—at that point it must stop."

The soft coal contract expires June 30, allowing less than a month for the operators and Lewis to make a new agreement.

More than one third of the nation's soft coal is produced by the groups making up the Southern Association.

The coal operators were standing by, ready to resume contract talks.

Lewis now has his choice of including the Southern Association in the bargaining talks or facing another fine for contempt of court.

Goldsborough is the judge who twice already has fined Lewis and the UMW a total of $2,130,000 for contempt of court. Previous contempt charges arose when Lewis and his union ignored court orders requiring them to end coal strikes.

To Sign Order

Winding up a lengthy statement giving his decision today, Goldsborough said:

"I will sign the order requested by the National Labor Relations Board."

The judge will sign the order formally later today.

This action makes two Goldsborough injunctions hanging over Lewis. The other is an order prohibiting the union from strike in a dispute over miners' pensions. This dispute has been settled, at least to the satisfaction of the Justice Department, but Goldsborough has refused so far to lift the order.

Married, Then Back to Cell

COLUMBIA, Mo., June 4.—(AP)—William F. Wiley, 34, one of five men being held in connection with the robbery and slaying of a Moberly, Mo., tavern operator, was married yesterday.

His bride is the former Miss Vivian Wagner, 27, Kansas City. The ceremony was performed in the parlor of Sheriff Duke Moynihan's home, and Wiley then was returned to his cell in the Boone county jail.

Compassion

"Be ye all of one mind, having compassion one of another, love as brethren, be pitiful, be courteous." Pe. 3:8.

One of Christ's most characteristic utterances were His words: "I have compassion on the multitude." Throughout His entire ministry, the Master not only displayed His tender regard for even the least of men, but exhorted all who would follow Him to "show mercy and compassion, every man to his brother."

The world needs compassion today above all else. Compassion is not mere pity. It is understanding and sympathy. It is the readiness to help others, to throw off the lethargy of indifference, to think in terms of genuine neighborliness rather than of self.

Compassion should not be a matter of emotion. We are all moved by the suffering we behold with our own eyes. But what of the misery we do not witness, but know exists throughout the world? Compassion must be of the mind as well as of the heart. Merely to reflect that somewhere voices are being raised in supplication should be sufficient to move us to compassionate action.

Our compassion must be universal, as was Christ's own compassion. The hands of the Savior were raised above the heads of thousands seen to millions unseen. Our brothers in need are everywhere. They are the displaced persons of Europe looking for hope and shelter. They are the economically exploited in all lands. They are the spiritually-neglected, the war-maimed, the sick and the discouraged. They are the victims of racial hatred, the dwellers in ghettoes, the millions who are kept in social bondage, because men have yet to learn that with Christ there is neither race nor color, but only the brotherhood of man.

We cannot, in justice, close our ears to any plea that comes to us in the name of Christ. Once two blind men cried out as Jesus passed by: "Have mercy on us, O Lord." The Gospels tell us that Christ had compassion on them and put forth His hand and touched them. It is our privilege to imitate His example by stretching our hands in the same gesture of consolation and mercy to the afflicted, doing what is in our power to do. Only thus may the spirit of Christ be kept alive and bright in a world that knows too much of desolation and suffering.

Sunday School Lesson

'But If Not' Holds Key To Faith in God
By William E. Gilroy, D. D.

The late Dr. Cyrus Townsend Brady, a Protestant Episcopal minister, was probably most widely known for his mank books and especially for his stirring adventure stories. But he was also a very brilliant and powerful preacher. About 30 years ago I heard him preach a sermon in Norfolk, Va., which has remained in my mind as marking the highest point in the Book of Daniel and its message.

The sermon was on the three words in Daniel 3:18, "But if not." The words occur in the answer of Daniel's three companions, Shadrach, Meshack and Abednago, to King Nebuchadnezzar, who told them they would be cast into the burning fiery furnace if they would not fall down and worship the image he had set up.

Their God, said the three, was able to deliver them and would deliver them; "but if not," they were nevertheless ready to die for their faith and would not serve other gods or worship Nebuchadnezzar's golden image.

The dramatic highlights are, of course, the story of the deliverance of the three from the fire, and the deliverance of Daniel from the lion's den. But the highest spiritual point is in that declaration that no matter what happened to them they were determined to be true to their God.

The Book of Daniel, though its story related to the time of Babylonian King Nebuchadnezzar, was among the latest books to be written and included in Old Testament scriptures. And it was written to encourage just that "but-if-not" attitude in faithful Jews, who were suffering the most intense and terrible persecution.

As in the story of Daniel and his companions, these faithful Jews were faced with the purpose of powerful rulers to corrupt and contaminate Jewish worship with pagan elements. The purity and safety of religion was assailed. And the Jews who protested and fought this paganization of their religion did not have the miraculous deliverance that came to Daniel and his companions. Thousands of them died for their faith.

It is a false interpretation of the Book of Daniel to say that God always brings physical safety to the faithful. Many, faithful to God, have suffered and died under persecution. Jesus on the cross, in His human agony, cried that God had forsaken Him.

But, "precious in the sight of God is the death of His saints." Here is a great mystery, but Paul throws a great deal of light upon it in the closing verses of Romans 8.

CHRISTIAN SCIENCE CHURCHES

"GOD THE ONLY CAUSE AND CREATOR" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 6, 1948.

Golden Text: Psalms 86:9,10.

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Known unto God are all his works from the beginning of the world." (Acts 15:18) The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God." (p. 502).

Islands Are Rising

The Hawaiian Islands gradually are pushing up out of the ocean and within a generation, may form a territory as large as Japan, according to scientists.

Congress Hurrying to Get to Conventions

By James Marlow

WASHINGTON, June 4—(AP)—Congress is trying to finish in a rush by June 19, so it can go to the political conventions.

And when it tackles unimportant things, it acts like it's going to a fire. The Senate on Wednesday rammed through 52 minor bills.

But on the big stuff it's still pretty slow going. Long debates. Jockeying around.

Maybe you wonder: If congress is in such a hurry, why all the talk? Since congress is made up of Democrats and Republicans, why can't each side let a couple of men talk for them and then go ahead and vote?

It's not so simple as that. That might work in some place like England where Parliament is sharply split between labor and conservative members.

No Sharp Division

There's no sharp division between Democrats and Republicans. In both American parties there are "conservatives" and "liberals."

True, on some issues the Democrats and Republicans close their ranks and vote pretty strictly along party lines.

But most of the time—on the big issues—plenty of members of both parties want to get up and speak their pieces. Why?

Because they think they can influence other members; or they want to be on the record for or against something; or they feel so strongly about an issue they have to talk.

As a result—party lines are crossed and on some things Republicans line up with Democrats, Democrats with Republicans.

People Probably Wonder

Because of this endless crossing of party lines, people in other countries probably wonder sometimes what difference there really is between the two parties.

Russia's Joseph Stalin, for example, taking a dim view of what happens here anyway, once said h sees no difference between Democrats and Republicans.

Even the President can't always lead the members of his party in congress along the road he wants them to take.

Although he's head of his party, its members may turn against him bitterly on a big issue.

Some Against Truman

That happened this year when President Truman urged congress to pass a civil rights program that would have benefited Negroes mostly.

Among other things he asked congress to pass laws against lynching and poll taxes.

In seven southern states a poll tax must be paid before a person can vote. And most lynchings have occurred in the south, with most of the victims Negroes.

The southern members of Mr. Truman's own Democratic party in congress promptly jumped on him, their leader.

And squads of them are against letting him be nominated as their party's presidential candidate in the November elections.

Since that southern storm hit him, Mr. Truman hasn't said much about pushing his civil rights program through congress.

Four Enlist in Navy

Lloyd Eugene Hamilton, son of Mr. and Mrs. W. F. Hamilton, 318 East Seventh street, Sedalia, Martin Hughes Hackler, son of Mrs. Nelle C. Hackler, 1114 East Seventh street, Sedalia, Robert Harold Green and Joseph Lee Osborne both of Marshall, Mo., were accepted for enlistment in the U. S. Navy.

They were enlisted for three years in the Regular U. S. Navy Wednesday, June 2nd, and are now en route by rail to the U. S. Naval Training Center, San Diego, Cal.

Upon completion of recruit training, young Hackler will be assigned to a ship of the fleet, while Hamilton, Green and Osborne will enter a Navy trade school for which they enlisted under the Navy's High school Graduate Training Program.

The above young men were enlisted through the local Navy recruiting station.

The first Wave assigned to overseas duty during peacetime was recently sent to the Navy's public relations office in San Juan, Puerto Rico.

Home From an Enjoyable Trip

Mr. and Mrs. F. Jerome Schenk and Mrs. Elizabeth Schenk, of near La Monte, returned Saturday, after a weeks' visit with Mr. and Mrs. E. W. Schenk, or Ardmore, Okla. During their trip the Schenks enjoyed the scenery of the Boston Mountains in Arkansas, Turner Falls near Davis, Okla., which is located in the foothills of the Arbuckle Mountains.

Another high light of the trip was attending a radio broadcast of a rodeo at Fort Smith, which was accompanied by dancing, contests and celebration, which was attended by thousands of men, women and children dressed in the traditional cowboy dress.

Fishing in Lake Murray in the southern part of Oklahoma and nice catches of black bass was to be seen up and down the lake, despite the fact that rain was falling continually. The largest bass seen caught was a 5½ pound black bass taken on artificial lure.

Prairie Ridge Club Meeting

The Prairie Ridge club held its May meeting at the home of Mrs. J. O. Coffelt. A covered dish luncheon was served. Guests were Mrs. D. C. Schlomer, Mrs. Minnie Reid, Miss Milligan Karrick and Miss Margaret Gamache.

The subject for the meeting was "A Three-Dish Meal," prepared and served by the foods leader, Mrs. David Walk.

The president, Mrs. Harold Schanz, called the meeting to order. Mrs. Albert Reid gave the devotional. Roll call was answered by "Memories of My First School Teacher." A health letter, on poisons, was read by the leader, Mrs. Charles Tevis.

Mrs. Rodney Alexander read the monthly news letters.

The meeting closed with a game, led by Mrs. Henry Patterson and Mrs. Glenn Karrick.

Foster Games Better

Foster Games, of Jefferson City, former Sedalian, who suffered a stroke of paralysis, recently, is slightly improved. He is a patient in the St. Mary's hospital in that city.

Mr. Games is a brother of Mrs. R. F. Rohn, 236 South Vermont avenue.

Final selection of 320 out of 800 Navy and Marine Corps enlisted men is under way to determine who will receive Secretary of the Navy appointments to Annapolis next fall.

Organize Cooking Club

The Smithton 4-H cooking club was organized Wednesday afternoon, May 26, at the Smithton High School.

The officers were elected, as follows: Bonnie Merk, president; Phyllis Momberg, vice president; Barbara Pace, secretary; Evelyn Bultemier, treasurer; Ann Curtis, reporter; Patsy Green, song leader; telephone committee, Lois Hilderbrand and Shirley Bolte.

It was decided that meetings will be every Tuesday.

Red Birds Trip Brooklyn, Score 4 to 1

Blackwell, With Cincinnati, is Back in Form

By Ben Phlegar
Associated Press Sports Writer

The Cincinnati Reds have come up with a lot of bad news for the seven other National League clubs. Ewell Blackwell's back in form.

The stringbean right hander, sidelined for a month with a sore shoulder, last night won his first game since April 23. He held the slugging New York Giants to two hits and a pair of runs in seven innings. Nine Giants went down on strikes, although Mickey Livingston blasted a bases-empty home run for the New Yorkers in the fifth.

Blackwell, who walked six, retired after the seventh and the Reds quelled a ninth-inning rally to win, 6-4. Blackwell retired after he complained he was having difficulty breathing as the result of a heavy head cold.

14th Home Run

Hank Sauer hit his 14th home run with nobody on in the seventh for the Reds.

The loss cut the Giants' first place margin to a half-game over the St. Louis Cardinals, who broke a six-game losing streak. The Red Birds tripped Brooklyn, 4 to 1, in Sportsman's park behind the brilliant four-hit pitching of Harry "The Cat" Brecheen.

The Pittsburgh Pirates pulled to within a game of the top by outlasting Boston, 5 to 3. The Braves picked up a run in the eighth, scored another and had the bases loaded with none out in the ninth when, Elmer Singleton came to Kirby Higbe's rescue. The former Boston righthander shut off the hitting immediately, although a final tally came across on a force play.

Detroit Defeated New York

Young Richie Ashburn, whose powerful spring hitting boosted him from the Class A Eastern League to the Philadelphia Phils, connected safely in his 20th consecutive game as the Phils downed Chicago, 4 to 3. Ashburn, the league's fourth hitter, smashed two singles and a double.

In the American League, Detroit spurted for four runs in the 11th inning to defeat New York 6 to 2 and Boston turned back St. Louis, 3 to 2. Cleveland at Washington and Chicago at Philadelphia were rained out.

Hal Newhouser held the Yanks to six hits in winning his fourth straight game.

Jack Kramer tumbled his former St. Louis mates out of first division with his eight-hitter.

The STANDINGS

NEW YORK, June 4—(AP)—Major league standings, not including today's games.

American League

	W	L	Pct.	GB
Cleveland	23	12	.657	
Philadelphia	26	14	.650	—
New York	22	17	.564	3
Detroit	20	21	.488	6
St. Louis	17	18	.486	6
Washington	19	21	.475	6½
Boston	16	24	.400	9½
Chicago	10	26	.278	13½

X-Cleveland technically is half a game behind second place Philadelphia. Since the games-behind column is intended to show the number of games the teams are behind the first place team, Cleveland's game-behind space is blank. As percentages are the ultimate determining factor, Cleveland is the actual leader.

Track Aces In 'Duel of Champions'

Eleven Defending Champions Are Back For The Meet

By Wilbur Martin

DALLAS, Tex., June 4—(AP)—Track aces from the Southwest and Big Seven conferences vie here tonight and second-best contenders are expected to decide the "Duel of Champions."

The Southwest is figured to just about make a clean sweep of first place medals in track events and the Big Seven expected to walk off with blue ribbon honors in the field.

A comparison of times in respective conference meets indicate second and third place men will decide the team championship — won last year by the Southwest, 69-62, on the last event of the program, the mile relay.

Many Stars Entered

Eleven defending champions are back this year, as well as 17 men who placed in the first meeting between the two conferences.

Clyde Scott of Arkansas, Charley Parker of Texas, Jerry Thompson of Texas and Rollin Prather of Kansas State are figured to win two events each.

Scott's 23 seconds flat for the 220-yard low hurdles and 14 flat for the 120-yard high hurdles this year is far under the meet standards. He's defending champion in the low hurdles.

Parker, defending 220-titlist is expected to dethrone teammate Allen Lawler in the century. He has consistently bettered the 9.9 mark this season, though edged by Scott in the conference meet. The Arkansas ace isn't trying the 100-yard dash here.

Thompson, running on the track that brought him fame in high school, is an easy choice to defend championships in both the mile and two mile. The same can be said for Prather in the shot and discus.

Conceding first places on comparative conference results, second and third place points can swing the meet either way.

Big Seven Strong

The Big Seven is strongest in only one track event — the 880-yard run—where Dick Shea of Kansas, Charles Lancaster of Missouri and Duane Wolfe of Missouri, may make it a 1-2-3 finish.

Third place winners in pole vault and broad jump in the Big Seven conference meet bettered Southwest conference winning performances, but Vern McGrew of Rice is on a par with defending co-champion Tom Scofield of Kansas in the high jump.

Southwest conference schools represented will be Rice, Texas, Texas A&M, Arkansas and Southern Methodist. Baylor and TCU failed to place in the conference meet.

The Big Seven is represented by Missouri, Nebraska, Kansas, Oklahoma, Colorado, Kan. State and Iowa State.

Indianapolis 6 Games Ahead

By the Associated Press

Indianapolis was six full games in front of runnerup Milwaukee and St. Paul in the American Association race today after the Indians swept a doubleheader from Columbus last night, 7 to 1, and 8 to 5.

In the nightcap the winners turned in the first triple play in Indianapolis in years.

In other league games, Toledo and Louisville labored far into the night before Toledo finally took a 6 to 4 decision from the Colonels in 15 innings. At Milwaukee, St. Paul piled up a 17 to 2 lead over the Brewers in the first seven innings and then withstood the shock of a 10-run Milwaukee barrage in the eighth to win 17 to 12. In a fifth league encounter Minneapolis beat Kansas City, 8 to 3.

Bill Clark hurled fivehit ball for Minneapolis against Kansas City while his mates, Lonnie Frey and Andy Gilbert, combed Kansas City pitching for an assortment of extra base blows. Frey hit a pair of doubles and Gilbert two singles and a triple off the combined offerings of Malcolm Malette, Joe Beggs and Jim Arnold.

Tonight's games:
Columbus at Indianapolis
Toledo at LoLuisville
(Only games scheduled).

Strikeout Champ Signs With Phillies

THOMASTON, Ga., June 4—(AP)—Hugh Frank Radcliffe, 19-year-old prep school strikeout king and holder of the world's record for the most strikeouts in a single nine-inning game, was signed up yesterday by the Philadelphia Phillies for their Wilmington, Del. club in the Class B Interstate league.

A reliable source said the National leaguers paid the R. E. Lee high school pitching star $40,000 to sign the contract.

The boy has hurled three no-hitters.

He set a world's record early this spring by striking out 28 men in one high school game. He has struck out 185 batters in 72 2-3 innings and has allowed only 16 hits and three earned runs.

VFW Softballers to Play Sweet Springs

The VFW softball team journeys to Sweet Spring tonight where they play the Sweet Springs Merchants in a Central Missouri softball league game. This will be the first official league game for the two teams and each will be out to get started on the right foot with a victory.

Cooz will be on the mound for the Vets while the Merchants' pitcher will not be announced until game time.

Players making the trip are to report at 6:30 o'clock to the VFW hall. Those making the trip are Cooz, Smith, Golder, Wall, Funkhouser, Reams, Meyers, Robinson Williams, Meinsen, Whittle, Brown, Simon and Manager Mulcahey.

Sunday night the Vets will play the Alma Merchants under the lights at Liberty park. This will also be a league game.

• Sports Roundup

By Hugh Fullerton, Jr.

NEW YORK, June 4—(AP)—It was the Cardinals' Eddie Dyer who was orating last spring about the advantages of a "strong bench" in baseball, but the Yankees' Bucky Harris apparently is taking those advantages . . . . When Charley Keller broke his hand trying to make a shoestring catch the other night, Bucky had his $18,000 bench warmer, Johnny Lindell, ready to go in there . . . and Johnny merely won the ball game by knocking in the only run . . . A few days before, Snuffy Stirnweiss had been beaned and Bobby Brown moved in at second and rattled off seven straight hits in a doubleheader . . . Both of them had appeared before, due to injuries to Tommy Henrich and Phil Rizzuto, and George McQuinn and Steve Souchok have been alternating at first . . . in fact the usually brittle Joe DiMaggio and Bill Johnson are the only Yanks who have played every game, but the club doesn't seem to have suffered much.

Sports Before Your Eyes

Claude Harmon, exempt from sectional qualifying tests for the open golf championship, is the teacher of Dick Mayer, the only amateur to qualify in the met district. Claude also had an airplane seat to Los Angeles for his brother-in-law, Vic Oberhammer, who dropped to an alternate's spot when he blew a putt . . . would you call that close Harmon-y? . . Big Seven observers are tabbing Iowa State as a football dark horse as a result of spring drills . . . Frankness note: After writing a scholarly piece on Mexican boxers in connection with tonight's Jesse Flores - Johnny Williams fight, tub thumper Harry Markson confesses that Flores, the Mexican, was born in Harrington, Kans., reared in Stockton, Calif., lives in San Francisco and never has been in Mexico.

Chiefs Subdue Brookfield by 22-7 Score

Next Game be At Boonville on Saturday Night

Don McMillan, Jim Egbert and Joe Imhauser combined their pitching efforts before a large crowd Thursday night at Liberty park and the Sedalia Chiefs walloped the Brookfield club to the tune of 22 to 7.

McMillan started for the Chiefs and was nicked for a run in the first inning. He worked the first five innings and allowed but one hit and fanned 10. Egbert worked the next two and Imhauser finished the game. Something unusual was offered in the late innings Imhauser pitched both right and left handed during his stay on the mound.

The Chiefs scored four runs in each of the first three innings and came back with five in the fourth to run the score 17 to 1 when manager Walter Jesse made numerous substitutions in the lineup every player in uniform getting into the game.

Led In Hitting

Wyatt a righthander started for the visitors and was replaced by Lefty Mundell who finished the game. Barbour, Schumaker, McMillan and Hawley each collected two hits to lead the Sedalia hitters.

Tooey led the visitors attack with two three baggers in four trips to the plate.

Saturday night the Chiefs play a league game at Boonville with "Ducky" Eschbacher the starter for Sedalia. On Sunday the Chief journey to Lawson for a game there with McMillan, Egbert or Imhauser ready for pitching chores.

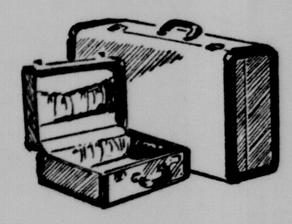

Next Friday night the Chiefs will meet the Moberly Ban Johnson League team in a game at Liberty park. Moberly defeated the Sedalia team in the opening game of the Ban Johnson League season at Moberly and the locals are anxious to avenge this defeat.

The Daily Washington Merry-go-'Round

by Drew Pearson

WASHINGTON, June 4—Chicago Democrats have bailed President Truman out of a near blunder on his visit to Chicago tomorrow.

The White House staff had planned to bring the president into Chicago at 3:30 p. m. — a time when the streets are not crowded.

However, ex-Mayor Ed Kelly, a past master at parades, reminded the White House that 4:30 was the time to arrive in Chicago. At that hour, people are on their way home and the president will appear to have a crowd watching his arrival — even if it's only a lot of folks on their way to catch trains and buses.

Housing Still Bottled Up

Ninety more congressmen are needed to sign the petition to get the Taft-Ellender-Wagner housing bill out of the banking and currency committee where it is now bottled up.

A few southern Democrats have already signed in favor of housing — but only a few. However, southern leaders indicate that pressure from the voters at home is strong and that southern congressmen will begin signing up en masse soon. They are beginning to realize that adequate housing is one of the best ways to lick Communism.

If the South signs, it will take about 25 to 30 eastern and western congressmen to force the important housing bill onto the floor for a vote before congress recesses. California Congress woman Helen Gahagan Douglas is ably spearheading the housing drive. If the drive fails within the next week there will be no chance of any housing bill passing congress until next year.

American Citizens Desert

A total of four American citizens in Moscow have now either deserted to the Russians or denounced American policy toward Russia. On top of this the son of Meyer Davis, wealthy bandleader, has renounced his American citizenship in Paris in protest against U. S. policy.

The above were young Americans.

All of which would indicate that in the eyes of part of our younger generation there is either something wrong with our current Russian policy or else that that policy has not been properly sold either at home or abroad.

All the facts in the case of Sergeant James McMillin, who deserted the American embassy with the top secret code of the United States, have not been told. Actually this incident was just as severe a blow to us as the desertion of Soviet code clerk Igor Gouzenko in Canada was to Russia.

McMillin was the son of a West Point graduate and a colonel in the regular army. With the secret code he gave the Russians, the Kremlin is now able to read the following highly important messages regarding U. S. plans for the defense of Europe:

1. Conversations with Franco Spain by which the American army is to dig in behind the Pyrennes in case of war with Russia.

2. Conversations with France for defense of the Rhine in case of war with Russia.

3. Conversations with Iran for U. S. support of the Iranian army in case of Soviet invasion.

Russia Has Our Secrets

These and other highly confidential messages were sent to Ambassador Bedell Smith in Moscow. Just why military messages were sent to the American ambassador in Moscow is not known. It is understandable that Smith should have received all reports from the bureau of fisheries, but sending military messages to Moscow, even in code, was risky.

Today these are no longer secrets. The Russians have them, can publish them whenever they please, just as Canada published the information unearthed from the confessions of code-clerk Gouzenko.

While it was partly Sgt. McMillin's infatuation with Russian glamor girl Galina Dunaeva Biconish that lured him from his own country, friends believe it was also the military nature of the messages he was decoding which helped influence him.

All this, plus the daughter of the commerce department assistant now working for the Soviet Tass news agency, plus the large and youthful following of Henry Wallace, make it appear that the United States is losing part of the cold war with some of its own younger generation.

And while this columnist is convinced we are basically right in maintaining a firm policy and a big air force against Russia, yet we have made the mistake of offering no alternative to the mailed fist.

If, however, we kept the mailed fist in one hand and held an olive branch — friendship with the Russian people — in the other hand, we might be on firmer psychological ground, both at home and abroad.

Friendship Letters

During March and April, millions of friendship letters were sent to Italy. They had an important effect on the Italian elections, helped score a victory for democracy. Prior to that, a series of Friendship Trains visited Europe at a time when the U. S. government was slow about sending food to Europe. Both these projects were initiated and executed solely by the American people. The government had nothing to do with them.

Governments always move slowly. The U. S. government is no exception. However, time is all-important in combatting war and winning friendships. And if we have the friendship of the Russian people, it becomes more difficult for the Kremlin to fight. So, while waiting for the state department to do something about penetrating the iron curtain, there is no reason why the American people can't operate on their own —as for instance, starting a friendship-letter campaign to Europe, especially to people behind the Iron Curtain.

There is no censorship of mail to Russia. And while the number of Russian-Americans living in this country is nowhere near the number of Italo-Americans, even a small group of Russian-Americans could supply the names and addresses of many Russians in Russia for correspondence purposes.

Friendship letters to all the countries of Europe — England, France, Germany — also those behind the Iron Curtain — Poland, Czechoslovakia, Jugoslavia —can be most effective.

They can help to refute the idea that the United States is a nation of warmongers. They can help nullify the impression given by the Sergeant McMillens and the Garry Davises and the others who have renounced their American citizenship. But most important of all, a friendship letter-writing campaign can really win friends on a people-to-people basis.

And where the people of two countries really know each other —as do the United States and England — no dictator, prime minister or president can ever bring war between them.

Milk Man May be President of Ecuador

Ex-Ambassador Galo Plaza, onetime football star at the University of California and former student at the University of Maryland, is shaping up as leading candidate for the presidency of Ecuador. The elections are scheduled for June 6.

Plaza is running as an Independent, backed by the Democratic Civil Movement, a new party formed only three months ago by conservative and liberal dissidents, plus numerous non-affiliated voters.

At first he wasn't given much chance against the well-oiled, old line political machines. In spite of recent turbulence in Ecuador (five men have held the presidency during the last four years), the long-established parties put up strong candidates.

However, the Liberals, for half a century the nation's dominant party, are split. The left-wing fraction joined the Socialists to back Gen. Alberto E. Gallo for president. Meanwhile, the Conservatives nominated Dr. Manuel E. Flor, a prominent Quito lawyer.

Both men are well-known and esteemed citizens, for Flor is considered reactionary by many of his own party, while the Centrist Liberals and Independent voters wanted no part of any military man, such as General Gallo.

That was where canny Ambassador Galo Plaza came in. Never formally affiliated with any party, but generally considered liberal, he made an ideal candidate for the disaffected and unattached groups.

Note — Galo Plaza owns one of the biggest dairy herds in South America, imported Carnation bulls from Seattle and Holstein heifers from Frederick, Md. He specialized in the study of dairying at the University of Maryland, later became Ecuadorian ambassador to the United States, now has 1,000 milk cows on his ranch above Quito.

Flat Creek Club Meeting

The Flat Creek Extension Club held its May metting at the home of Mr. and Mrs. J. W. Burnett in Sedalia on May 25. A bountiful covered dish luncheon was served at the noon hour.

The afternoon meeting was opened by singing "America the Beautiful." The devotional was given by Mrs. R. O. Lewis. Seventeen members and one visitor, Mrs. Emil Hoard answered roll call by telling of their most embarrassing moment.

Mrs. J. T. Edmundson reported on the activities of the 4-H club announcing the Rural Life Sunday program to be given at the New Bethel church on May 30 at 8:00 o'clock. Mrs. R. C. Wissman and Mrs. R. L. Wadleigh were appointed to serve refreshments at the next 4-H club meeting.

Mrs. Milton Bopp read a letter from Miss Dilsaver on the subject of child guidance after which a round table discussion followed.

Mrs. D. B. Wilhoit and Mrs. C. L. Wadleigh very ably demonstrated three dish meals. They prepared and served butterscotch coffee cake and punch.

The entertainment committee announced a family party to be given at Anderson school house on Friday night, June 18.

The June meeting will be held at the home of Mr. and Mrs. Charles Bucher on June 22.

New Type of Store Opens

A new type of store has come to Sedalia ready to serve both large manufacturing companies and retail merchants by having the tools and equipment on hand that ordinarily must be ordered from Kansas City, St. Louis or some other city.

Ralph Compton, Jr., of Springfield, and Judson M. Grayson, of Joplin, both for a number of years traveling for firms handling this type of merchandise decided to open a new business. They picked Sedalia after a survey of various localities, found that it was a growing community and could use such a store, so opened for business at 209 East Second street, as the Industrial Equipment Store.

Mr. Compton is married and has one son, fourteen months old. He is a member of the Episcopal church, the Masons, Chapter and Shrine, is a DeMolay Legionaire of Honor and a member of the Knights of Pythias. He will bring his family to Sedalia as soon as he can find a suitable home.

Mr. Grayston is also looking for a home, where he expects to bring his bride. He was married on March 13.

Daily Vacation Bible School

The Daily Vacation Bible school, of the First Assembly of God church, Sixth and Summit avenue, will begin Monday and last until Friday, June 18. The days will commence at 8:30 o'clock in the morning and end at 11:30 in the morning.

Mrs. Frances Foster, from Springfield, who is well trained in Bible school work, will be the principal. Mrs. Jewell Tucker, will be the beginner's superintendent. Mrs. Lace Bedlak will have charge of the primary department. The Junior boys will be superintended by Mrs. Doris Reed and the Junior girls, by Mrs. C. H. Earnhardt. Mrs. Jim Green and Mrs. Paul Adams, will have the supervision of the Intermediate boys and girls.

There is an excellent group of teachers and helpers for every department.

Mrs. Bird Campbell will be in charge of all the music. Mrs. David Harbin will be the pianist.

The program for the school session is as follows:

Picnic, Wednesday, June 16th, in the afternoon.

Commencement exercises, Thursday, June 17th, 8:00 o'clock in the evening.

Business meeting, Friday morning, June 18th.

Those who wish to attend or need bus service, phone 1144. Bird H. Campbell, pastor.

Davis-For-Gov. Club Formed

A Pettis County Manvel H. Davis for Governor Club was organized in a meeting held at the court house yesterday, which was attended by Republican party members interested in the nomination of Mr. Davis for Governor.

The club was perfected with the election of the following as officers:

President—Judge J .E. Smith.

Vice President—Mrs. H. G. Berger.

Secretary—Juanita M. Young.

Treasurer—W. D. Smith.

A vice president of the club will be appointed in each ward and township in the county, and a meeting will be held in the near future to discuss plans for the Davis campaign in Pettis County.

Receives Her M. D. Degree

OMAHA, June 4.—(AP)—Mrs. Robert A. Jeffrey, Jr., 25, became a Doctor of Medicine only a few minutes after she gave birth to a nine-pound, 14-ounce daughter.

Her husband, who received his medical degree last year, stood in for Mrs. Jeffrey at Creighton University Commencement exercises yesterday.

Mrs. Jeffrey was scheduled to receive her M. D. last year with her husband, but dropped out of school for the arrival of Robert A. Jeffrey, 3rd in November, 1946. This year she decided to try again for the medical degree. She completed final examinations and attended Baccalaureate services before going to the hospital.

Social Events

John Anglin, son of the Rev. and Mrs. H. S. Anglin, 806 West Sixth street, entertained this morning with a waffle breakfast at his home.

An arrangement of garden flowers centered the breakfast table.

Guests were: Crosby Brown, Patterson Brown and Ronald Malone.

Traffic Case

The case of Albert H. Edwards, of Syracuse, charged with driving a car while intoxicated, was continued at 8:30 o'clock Saturday morning, by Judge Harry O. Berry in police court this morning. Edwards, appearing before Judge Berry, pleaded not guilty and his hearing was then set for Saturday.

Edwards is being detained in the city jail in default of bond.

Postmasters In Convention

ST. LOUIS, June 4.—(AP)—Missouri's rural mail carriers travel 62,811 miles a day, or two and a half times around the world, in delivering the mail.

State postmasters learned this yesterday in opening convention sessions of the Missouri Chapter of the National Association of Postmasters, from Samuel R. Young, executive assistant to the postmaster general.

"You Missouri postmasters paid out $167,000,000 last year in cashing 13,250,000 money orders, and six years ending in 1947 you sold $179,000,000 in war and savings bonds," Young said. "That's big business."

Postmaster General Jesse M. Donaldson will speak at the dinner program tomorrow night.

Edward P. Mullaley, Sedalia postmaster, is attending the convention.

Eisenhower is Republican

NEW YORK, June 4—(AP)—Gen. Dwight D. Eisenhower is quoted in the current issue of Pathfinder News magazine as saying he could not run for the presidency on the Democratic ticket because "he is a Republican."

In its column, "Under The Dome" the magazine said:

"In an exclusive statement to Pathfinder, the retired general said that he could never run for the presidency on a Democratic ticket for the simple reason that he is a Republican. He will support whomever the Republicans nominate."

Eisenhower, president-designate of Columbia University, could not be reached immediately for comment. However, a spokesman for the general said last week, when asked to comment on the Pathfinder article, that Eisenhower had told him that never to his knowledge had he "indicated to anyone at anytime any thought which could be interpreted in such a way."

The special registration was for new voters, new residents and persons whose registration had lapsed.

Annual Meet of The AAA Club

The annual meeting of the District Advisory board of the Automobile club of Missouri, was held at Sedalia Country club, with approximately 30 members of the board in attendance. Following a steak dinner the meeting was opened by Ray C. Lippard, local district manager, who presided.

Mr. Lippard stated that one of the most progressive steps taken by the club in recent years is the promotion of driver training in high schools throughout the state of Missouri. This course is now obligatory in about 60 or 70 schools in the state and has been recognized for credit by the State Commissioner of Education.

Mr. Lippard then introduced Matt Morse, of St. Louis, president of the club who presented in picture form a review of the club's growth and activities. Mr. Morse in making his presentation also emphasized the need of better laws, more courtesy and decency of highway users if we are to eliminate traffic accidents and the death toll.

Mr. Morse then introduced Gus Vahlkamp, secretary of the club, who outlined the highway construction program which is being sponsored by the club.

George Marsh, publicity director of the club was also present. Those in attendance other than the St. Louis honor guests were Hugo Sparn, member of the State Board of Governors, from Sedalia and Harry R. Garrison, member of the State Board of Governors, from Warrensburg.

Others in attendance from Sedalia were: Abe Silverman, C. W. Mathieson, Dr. J. E. Cannaday, Paul Hedderick, W. L. Jackson, R. M. Johns, Philip McLaughlin, E. W. Thompson, Mrs. E. F. Yancey. Convention Tip: Bring Wallet, Leave Wife Home

There Won't be Room to Go Around When Parties Convene in Philadelphia

Tough assignment of housing arrangements for the conventions is being handled by Mrs. Marian Phelps (left), Republican, and Mrs. Dorothy Vredenburgh, Democrat, here resting their feet as they work in Philadelphia hotel headquarters.

By DOUGLAS LARSEN
NEA Staff Correspondent

PHILADELPHIA—(NEA) —(AP) —Bring your pocketbook but leave your wife at home.

That's the official advice for anyone planning to attend the Republican and Democratic national conventions.

Delegates are being urged by the arrangements committees of both parties to leave their wives at home and plan to double up on rooms. Between 30,000 and 35,000 persons are expected to swarm into the City of Brotherly Love for each meeting. And there are only 6,000 hotel rooms to go around.

Commandeered private homes, apartments and fraternity houses in the city and in nearby communities won't quite make up the difference. Thousands are expected to commute daily to the sessions from nearby Washington and New York. The airlines are pooling their facilities for this commuter service and the railroads are expected to add extra cars and sections to their regular runs between these cities.

Two charming, capable women and veterans on the job are in charge of the housing. They are Mrs. Marian Phelps for the Republicans and Mrs. Dorothy Vredenburgh for the Democrats. They agree it is the toughest assignment they've ever had. They have been working on it for months.

Hotel rooms will range from $3 a day for singles without bath in the most modest hotels to $300 a day for some suites in the best hotels. Private apartments are being sacrificed for the period by Philadelphians for $300 to $1500 a week. The top price asked—but not taken—was $35,000 for a private mansion complete with servants. The fraternity houses on the campus of the University of Pennsylvania, which is just across the street from the convention hall, have gone for $1000 to $3000 a week.

The Philadelphia Chamber of Commerce has helped by urging Philadelphians to take their vacations during convention times and rent their homes.

It is estimated that the minimum cost for a delegate will be $36 a day. That doesn't include shopping or the transportation to and from his home town. The average hotel room will cost $12, meals will run about $10, entertainment—two visits to a bar or one visit to a nightclub—will cost $7 and with the hall several miles from town, transportation will cost delegates about $3 a day.

That's the estimated minimum a delegate could get by on without straining. The sky is the limit for the big spenders. The town is loaded with fancy night clubs, saloons, restaurants and fine stores, and there will be no shortage of liquor, food or entertainment.

Most of the big entertainment spots are importing special talent for the festivities, including bandleaders Paul Whiteman, Ted Lewis, Tony Pastor, and their orchestras, as well as other big names.

The owner of a chain of the biggest night clubs in the city says it has always been his policy to charge neither a cover nor minimum price and that he doesn't plan to change for the convention. He is also installing television screens in all of his spots.

Absolutely every Philadelphia business man swears that he has no intention of raising any prices during the convention. But he'll also tell you he has inside information that his competitor next door plans to gouge the wallets out of the visitors.

Geza O. Schmidt, the man in charge of food for the Bellevue-Stratford hotel, the dowtown convention headquarters, says:

"Food prices are already as high as they can go in this town. We couldn't raise them if we wanted to."

It is estimated that $10,000,000 will be spent in Philadelphia by visitors to the two conventions. The city's businessmen gave each party $250,000 to pay for expenses and entertainment to lure them. This, they admit, is a pretty good return on their money.

No Excise Tax on Treasures Sold

ST. JOSEPH, Mo., June 4—(AP) —The last of the Hax family treasures went on the auction block Thursday before a crowd of antique collectors.

The St. Joseph Art League and the Ladies Union Benevolent Association, will divide the proceeds under the will of the late Mrs. consisted of silveware, jewelry and furs.

A silver tea set sold early for $205. Jewelry offered among the 210 items included a wrist watch set with 22 diamonds.

The Internal Revenue office ruled that no excise tax was to be collected.

More Cases of Polio In Texas Week Ago

AUSTIN, Tex., June 4—(AP)—Sixty new cases of polio were reported in Texas last week compared with 39 the previous week and each mail brings reports of new cases, the state health department said Thursday.

Total cases for the year reached 294 compared with only 183 for all of 1947. It was reported the navy will use planes to spray DDT in the Corpus Christi area; other preventive measures were being employed throughout the state.

Army Clips Long-Haired Nature Boy

(But it Took 3 Years)

By HARRY J. LAMBETH
NEA Special Correspondent

HONOLULU—(NEA)—Private Ronald Magtiong, the army's nature boy, is back in the civilized fold again — civilization in this case being the guard house—but the army isn't bragging.

The 21-year-old Hawaii - born soldier went over the hill, but not far away, in 1945. For three years he camped out at the back door of Schofield Army Reservation and lived on what the army threw away. When the MPs finally caught up with Magtiong, it was an accident. They were looking for somebody else.

His hair was long and five front teeth were in bad shape because of a somewhat erratic diet. Otherwise he was in fine shape after living a hermit's life for 36 months in a camouflaged tent.

Three months before the war ended a sergeant told Magtiong that he was not to be transferred

Pfc. Ronald Magtiong: They were looking for somebody else.

to an outgoing unit with his buddies, but was to remain as a cook at Schofield. So he took his own transfer and pitched a battered tent near an army garbage dump on the Schofield mountain firing range.

Although Magtiong was within two miles of his father's home at Wahiawa, Oahu, he never once left this mountain retreat on the Schofield Reservation.

When he heard firing he shuffled off to a temporary location.

Magtiong, when captured, still had $2 of the original $7 he had when he left the army in May, 1945. The five, he says, was spent on "cigarets and stuff" when he risked a visit to the Schofield PX shortly after going "over the hill."

He told investigators he washed once a month, and, as his clothes rotted away, he "bought" new ones at the dump. Also from the dump came every need—food, reading material, cigarets, toothpaste and other items. As the dump area was expanded, he changed the tent's location.

Food consisted largely of pineapple and guava growing nearby, and, one time, he went two weeks with nothing else. Best items, he says, were the oranges, apples and sandwiches discarded by Schofield school children.

From old magazines he learned the war was over, but says he did not want to surrender for fear of "bringing shame upon his family."

For recreation he read and whittled trinkets from wood and used tooth brush handles.

Once a GI hunter surprised him, but Magtiong told the soldier he was hiking in the hills and was waiting for other hikers. One one occasion in his long hermit period he was attacked by a pair of owls. He fought them off with a club he had fashioned from guava branches.

Magtiong, who is of Spanish-Filipino ancestry, knew when it was Sunday because he could hear church music from Schofield chapel. On these days he read from a hymn book and prayed before a small crucifix he had found.

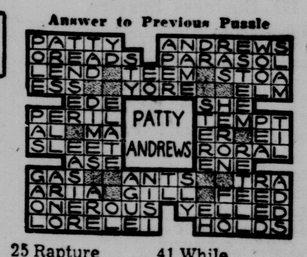

The MP's say he will hear the music just as well in the guard house, where he's awaiting court martial.

Leg Fractured While At Gravel Plant

Jerrald Hanenkratt, 2017 East Sixteenth street, was taken to the Bothwell hospital, Thursday afternoon for treatment.

Hanenkratt, an employee at the Otterville gravel plant sustained a fracture of his leg while working around a fan belt attached to a crane.

He was taken from Otterville to the Bothwell hospital by Dr. R. L. Fogle, Otterville, where he received treatment from Dr. Karl B. Gonser.

Cloyd Leftwich Injured When Horse Fell on Him

Cloyd Leftwich of Hughesville was treated Thursday at Bothwell hospital for a fractured pelvic bone, sustained when a horse fell on him. His condition is considered serious, but not critical. Dr. David R. Edwards is attending him.

Vote Dismissal To E. K. Johnston

COLUMBIA, Mo., June 4—(AP) —The University of Missouri board of curators announced on Thursday night that it had voted unanimously to dismiss E. K. Johnston, veteran advertising professor from the university faculty.

Johnston surrendered last week to prosecuting attorney Howard B. Lang, Jr., on a charge of sodomy and is free under $3,500 bond pending a preliminary hearing June 11.

The board also approved the action of the school president, Dr. Frederick A. Middlebush, in suspending Johnston last week.

The board's resolution said the actions were taken "for reasons deemed completely sufficient."

Woman Found Dead in Car

SPRINGFIELD, Mo., June 4—(AP)—Mrs. Bertha Freund Fayssoux, 38, of Washington, D. C., was found dead from carbon monoxide poisoning in her car here Thursday afternoon. She had been despondent over death of her husband in Washington two weeks ago, according to relatives whom she was visiting here.

The car was found parked in a cemetery, with a garden hose attached to the exhaust pipe leading inside the closed auto.

Car of Police Chief Afire

Faulty wiring on a car caused the fire department to go to 312 East Fourth street Thursday where the car was billowing smoke. The car, a 1941 Plymouth coupe belonging to Chief of Police Edgar Neighbors, was parked in an alley behind Neighbors' house. No damage resulted.

AND now there were other voices. Aunt Alice's and then Aunt Helen's, both exceedingly cordial.

"Come in, won't you? How very nice to see you! We thought we'd have tea in the garden. Alice dear, see if you can find Patience."

Patience flew downstairs. She stopped short on the threshold of the sitting room.

"Ah, here you are, dear child," said Miss Helen. "Mr. Taylor, this is our niece Patience."

Gravely they shook hands. Gravely Paul, unnoticed by the two ladies, winked at Patience.

"How do you do?"

"How do you do?"

"Let's go into the garden," said Miss Helen.

Tea was served on the best Staffordshire tea service. Certainly, thought Patience, her aunts were out to impress Paul favorably. But where on earth had they met him?

Still, it was enough that he was here. And that when he looked at her his eyes told her that despite all that had passed he was still in love with her. Just as hers were most likely telling him that she too was in love with him. Only how was he going to feel towards her when she told him about Roger—about Paris?

After tea, Aunt Helen suggested that Paul and she might care to take a stroll around the garden together. "Or perhaps you'd like to show Mr. Taylor that very pleasant walk through the woods?"

Patience looked at Paul.

"Shall I?"

"Why, yes, I'd love it."

Patience smiled at her aunts.

"We won't be very long."

"That's all right, dear child."

Paul said as they set off: "Just the moment we're out of sight I'm going to kiss you."

Patience's heart leaped.

"Oh, Paul!"

"I am, darling. We've a lot of leeway to make up, you and I." He looked back over his shoulder. "I'm afraid it's just a bit too soon yet."

"It certainly is. Don't forget too that we've only just met."

"Yes, that's a point."

* * *

"PAUL, how did you get here? I simply couldn't believe it. I thought I must be dreaming when I heard your voice in the hall."

Paul grinned.

"History, my sweet, repeated itself."

Patience stopped short.

"How do you mean?"

"Your estimable aunts picked me up on the train!"

"Paul, they didn't!"

"Indeed they did. And they were much quicker about it than ever you were."

Patience swallowed hard.

"That must have been then last Monday evening."

"That's right. Last Monday as ever was. I came upon them both hurrying for the 6:30 and helped them with their suitcases. We all three went down together."

They were almost out of sight of the garden now. Paul helped her over a stile. A tree hid them completely from Miss Helen and Miss Alice, who were still sitting placidly where they had left them.

Paul put his arms around Patience, but she struggled free of them.

"Paul, I've got to talk to you."

Paul looked down at her.

"Must you? Couldn't I kiss you first, and then we'll talk after?"

"No. You see, after I've told you what I'm going to tell you, you may not want to kiss me."

Paul said it sounded ominous. And privately decided that he was glad he'd gone to see Roger Dickson. Otherwise he might be feeling decidedly uneasy.

"Fire ahead."

"I was in Paris last week-end."

"Good for you."

* * *

SHE stared at him. "But you don't understand. I was there with Roger Dickson. Oh, Charlotte was with us as well. Charlotte by the way is my twin sister. I was going to tell you about her that day on the train, but after what you said I couldn't possibly. And —well—" She hesitated, fearful as to how he was going to take it— "Roger and I lost the 'plane back."

Paul took her hands.

"Darling, what does Roger Dickson mean to you?"

"Nothing—at least—well, I suppose I did sort of find him attractive. I was so lonely, and so wretched without you. We—we had quite a lot of fun together over there."

"Fun?" His eyes searched her face. "No, it's all right. Don't tell me," he said quickly.

But she knew that she'd got to. She'd not be happy in her mind otherwise.

"He kissed me," she faltered.

She waited. Her heart shook. And then miraculously his arms were tight about her, and it seemed he had forgiven her, because he was kissing her and telling her he loved her. That indeed, as she must surely know, right from the very first moment he'd seen her he loved her. And that this time, he was going to make very sure that she married him.

Back in the garden, Miss Helen and Miss Alice were chatting happily together.

"I think he's a very delightful young man," said Miss Alice. "He's got such charming manners."

"I know. I must confess I like him very much indeed. He seems too so entirely suitable."

Miss Alice drew a little wistful sigh.

"I wonder what Patience and he are doing now."

Miss Helen looked at her.

"Doing, Alice? Whatever do you mean?"

"Well, dear—a young man and a young girl—he might—well, he might possibly be holding her hand."

Ruling Upheld In Gas Supply To Missouri

Panhandle in Charge of Bias On Claims Made

WASHINGTON, June 4—(AP)—Federal court of appeals Thursday upheld a 1946 power commission ruling authorizing Michigan-Wisconsin Pipe Line Co., to supply natural gas to Michigan, Wisconsin Iowa and Missouri.

The commission, by a three to two vote, approved construction of a pipe line from Hansford county Tex., to the Austin underground storage field in Michigan and a branch from a point in Illinois into Wisconsin.

The commission order was disputed by Panhandle Eastern Pipe Line Co., which now supplies some parts of Michigan and several other middle-western states.

Panhandle charged certain members of the commission with bias, criticized procedure and said there was no proof it could not adequately supply the Detroit-Ann-Arbor area, the largest market served by Michigan-Wisconsin.

Panhandle said also that Michigan-Wisconsin had not proved financial ability to build the line.

Commission sources said the cost of the line is estimated at $135,000,000.

The appeals court ruled that the evidence supported commission findings that: There is a "substantial demand" for natural gas in Wisconsin, Iowa and Missouri communities which receive none at present.

She'll Stay

It looked for a time as though Georgette Bertaud, who came from France to marry Pfc. Graydon Morfitt of Houston, Tex., wouldn't be able to stay in America. Morfitt didn't have $500 needed to get her off Ellis Island. But a stranger, James Mont, New York furniture designer, gave Morfitt the money.

Hal Boyle's Column

By Hal Boyle

NEW YORK, June 4.—(AP)—There is a small green park in Manhattan where you can sit and watch the ships of the world come and go. It isn't much of a park—just big enough to hold a hatbox full of spring. It has some tired grass, a few limp trees and here and there a bow-legged bench. It has the ingredients of any park anywhere—the lovers, the neighborhood mothers and their kids, the guy out of work, and the old men who come to soak up the sun.

This day a boy and a girl sat alone on a bench in the thin shade of a tree. It was a hot day. Across the street the stevedores worked with their heads down, and the trucks rolled by, clanking and stinking.

The boy and the girl didn't look much like sweethearts. They held hands listlessly. It's hard to be story-book sweethearts in a jungle of brick and steel and noise. And in a little park that has to fight to stay green.

Bellowed Goodbye

A block away the liner America, her bright funnels beginning to plume, bellowed goodbye. Peacetime passengers crowded the rails where thousands of homesick soldiers leaned in wartime for a farewell look.

The hoarse sound of the whistle throbbed through the little park, dwarfing the voice of the city. The boy looked up. His eyes brightened. He grinned as the swell of sound pushed by.

"Listen," he said to the girl. "Listen to her. She's saying goodbye. Wouldn't you like to be on her?"

The girl pushed her bobbed hair back impatiently.

"How can you want that?" she said.

The boy hardly heard her. He leaned forward on the bench. The liner whistled again, her leash slipped free, and the tugs worried her bow and stern.

On Her Way

"She's on her way," the boy said. "She's on her way."

The girl didn't look at the ship. She watched the boy and she knew he had left her. He was on the ship, standing out to sea. She tried to bring him back.

"Why would you want to leave? Why would you?"

The boy did not answer. He watched the liner as she nosed down-river, her pennant ruffling in the wind from the sea. Then she was lost behind the drab dock buildings.

The boy sighed and leaned back. He lit a cigaret nervously. They sat together in silence.

On the next bench a mother called to her child: "Helen, come on now. It's time to go home."

They left, and as they passed the bench where the boy and girl sat the child said:

Hushed the Child

"Momma, look, he's—." Her mother jerked her arm and said, "Hush."

The girl squeezed the boy's hand tightly as he stared at the empty dock.

"I just can't see why you always want to go," she said. "Haven't you had enough?"

"I guess not," the boy said. He rose slowly, holding to the bench. The girl reached under it and pulled out a pair of crutches. She handed them to him.

"It's time to go home," she said. "I'll carry your jacket."

The jacket was old and, and the sleeves were frayed.

It was an army combat jacket.

Would Let Aliens Enlist

American Foreign Legion Plan is Suggested

By Jack Rutledge

WASHINGTON, June 4—(AP)—A long-discussed plan for an American foreign legion to boost manpower for defense was formally introduced Thursday as an amendment to the senate draft bill.

The proposal was made by Senator Lodge (R.-Mass.) shortly after the house had approved the largest naval appropriation in in peacetime history—$3,686,733,250.

Lodge suggested that 50,000 aliens be allowed to enlist in the American armed forces for five years. They would serve only outside the United States and its territories. At the end of that time they could become U.S. citizens.

Chairman Gurney (R.-S.D.) of the senate armed services committee promptly said he would oppose the foreign legion plan. He said it had been studied by his committee and unanimously rejected.

Another senate draft bill amendment was offered today. Senator Capehart (R.-Ind.) introduced an amendment that would put responsibility for ordering a draft up to the President. A similar bill has been offered in the house.

'Up to Congress'

But Gurney said: "We either need a draft or we don't "It's up to congress, and not the President, he said, to accept responsibility.

Under Capehart's proposal, the President would get power to announce that more manpower was needed and that volunteers could not fill the gap. The draft would then become effective 90 days later.

The navy bill was approved without controversy by a voice vote. Yesterday the house voted and sent to the senate a $6,509,939,000 money bill for the army and the air forces.

Together, they total $10,196,672,250. Congress previously had voted $3,200,000,000 for aircraft procurement, bringing to over 13 billion the money America plans to spend on defense in the fiscal year beginning July 1.

The navy bill, whoch goes to the senate, authorizes work to start on a 65,000-ton aircraft carrier, largest in the world. It also boosts naval and marine corps personnel to 552,000. The two now have an estimated 478,000.

Yesterday's bill for the army and air force authorizes them to have a peak strength of 1,250,000 during the coming year. Present strength is estimated at 542,000 for he army.

Eldorado Club Meeting

The Eldorado Extension club met at the home of Mrs. Guy Ray on May 26 in an all day session. In the morning, Mrs. Bertie Ragar and Mrs. Wallace Bullard demonstrated the preparation of a three dish meal which was served with a contributive dinner at the noon hour.

The business meeting opened with group singing, followed by reading of the club collect, with the president, Mrs. F. D. Wolfe, in charge. Fifteen members and two visitors answered roll call with "Something I Remember of My Mother." Mrs. Lee Feaster gave the devotional. Minutes of last meeting were read and approved. The pennies for Friendship collection was taken.

Miss Kelly's letter was read by Mrs. Lynn Edmundson and Miss Dilsaver's letter by Mrs. Wolfe. Health articles, "Diet Restrictions" and "Honey for Your Heart" were given by Mrs. Cletis Allen.

A committee consisting of Mrs. Guy Ray, Mrs. Tony Smith and Mrs. Wallace Bullard was appointed to plan a club picnic to be held in August.

A committee to plan an achievement day exhibit was appointed and consisted of Mrs. Cletis Allen, Mrs. Lynn Edmundson and Mrs. Tony Smith.

The meeting closed with the benediction, followed by a game in charge of game leader, Mrs. Wallace Bullard.

The next meeting will be with Mrs. Bob Edmundson June 23.

Governor Busy On Vetoes

Lops Off Five Million in Bill Leave $274,840,000 In Record Budget

JEFFERSON CITY, Mo., June 3—(AP)—Gov. Phil M. Donnelly knocked out more than $5,000,000 from a catch-all appropriations bill, including a big building program at state colleges.

His action trimmed expenditures to balance the 1948-49 budget, but he said the margin would be "very close—too close."

The building program vetoed included a $400,000 appropriation for a law school for Negroes in St. Louis. The governor recommended the school be established in Jefferson City with the rest of Lincoln University for Negroes. The school rents quarters in St. Louis now.

Left in the bill were amounts to finance a big building program at state hospitals, a $2,000,000 state office building in Jefferson City and an extra $2,500,000 for state aid to public schools.

The governor objected to the extra school allotment because, he said, it sets a bad precedent. But he noted that his hands are tied by a constitutional provision preventing any veto of a school fund item.

Record Budget

Today's action leaves Missouri with a 1948-49 budget from all funds totaling more than $274,840,00—a record total.

Here are the major items vetoed: University of Missouri classroom building $500,000; Northeast State Teachers College at Kirksville, auditorium $675,000; Northwest at Maryville, instructional building $800,000; Central at Warrensburg, science and applied arts building $845,420; Southeast at Cape Girardeau, science building $740,000; Southwest at Springfield, new library $900,000; Lincoln University law school in St. Louis $400,000, gymnasium and playing field at Jefferson City $448,400.

Approve Appropriations

Left in were $825,000 for new agricultural buildings at the University of Missouri, $500,000 to replace a field house which burned at Cape Girardeau state college and $440,800 for a new library at Lincoln university.

Also untouched were $600,000 building allotments for each of the state mental hospitals—some of it for homes of staff physicians, employes' dormitories, infirmaries and other buildings.

The governor also approved items totaling $71,805 to pay for merit system salary scales at the state hospitals from April 1, 1948 to June 30 and $287,220 for the entire 1948-49 fiscal year.

Another $423,660 was approved to put an eight-hour day into effect at the hospitals.

In a 12-page message accompanying his action, the governor explained he voted the college building program because the items would have shrunk the post-war reserve fund to only three or four million dollars.

"It is my opinion that the above buildings should not be constructed at this time," he wrote. "It may be necessary to draw upon the balance in the postwar fund to complete the present building program at the different institutions and equip the buildings.

"I do not believe it is good business management to reduce the postwar fund too low at this time. By not approving the appropriations there will be approximately nine or ten million dollars remaining in the postwar fund."

To Get State Office

Approving the $2,000,000 allotment for a new state office building—authorized under a law he sponsored as a state senator—the governor cut out a part of the language locating it on state owned land just east of the capitol.

The legislature can not include such material in an appropriation bill, he said. Besides, determining the location is the job of the state board of public buildings of which the governor is a member.

He said he did not know where the building would be located, but expressed the opinion it would spoil the view of the capitol to locate it just east of the present building.

Donnelly reserved the sharpest language of his message for the $2,500,000 extra fund for state aid to schools. He noted that under the constitution the governor "must keep his hands off any appropriation for public school regardless of how high the appropriation may be."

This provision, he said, "raises a serious budgetary problem" if the legislature over-appropriates the anticipated revenue.

He recommended serious study be given to repeal of the constituition shackle as it applies to funds in excess of the one-third of general revenue which is required to be allotted to schools.

(The $2,500,000 was in addition to the usual one-third of general revenue which amounted this year to more than $31,450,000.)

The only thing that enabled him to balance the budget in spite of the extra allotment, he explained, was a revised estimate showing expected collection of about $3,-

Leg Fractured While At Gravel Plant

Jerrald Hanenkratt, 2017 East Sixteenth street, was taken to the Bothwell hospital, Thursday afternoon for treatment.

Hanenkratt, an employee at the Otterville gravel plant sustained a fracture of his leg while working around a fan belt attached to a crane.

He was taken from Otterville to the Bothwell hospital by Dr. R. L. Fogle, Otterville, where he received treatment from Dr. Karl B. Gonser.

Sedalia Boy Killed When Truck Ditched

Richard Roy Bohon, 13, Dies Under a Pile of Gravel

Richard Roy Bohon, 13, son of Mr. and Mrs. L. Z. Bohon, 323 East Fourteenth street, was killed instantly, when a dump truck in which he and seven other young boys were riding overturned on the Ball Town road, six miles south of Cole Camp, Thursday afternoon about 5 o'clock.

The Ford dump-truck, loaded with gravel, in which four of the boys, including Richard Bohon were riding on the load, and the other four inside the cab, was heading toward Sedalia from getting a load of gravel at the Crysler farm, located outside of Cole Camp.

According to the driver's statement, Jimmy Bishop, 18, son of Mrs. Shirley Bishop, 1208 South Washington avenue, an on-coming car heading west, was taking up the middle of the road, and he was forced to turn further to his side of the horse-shoe curve road, whereby the side wheels slipped into a ditch, and causing the truck to overturn. The passing automobile, described as a 1940 Plymouth, did not stop, it is said.

Three of Boys Jumped

When the truck overturned, three of the boys jumped in time to escape serious injury, but Bohon remained on the truck bed to late to escape, being crushed to death by piling gravel, which covered his body, and had to be shoveled sufficiently before the body could be removed.

The body was taken to the Renz funeral home in Cole Camp. Dr. T. S. Reser, Cole Camp, coroner of Bention County, viewed the body at the scene of the accident, and stated that an inquest was not necessary.

Several of the boys received minor bruises and lacerations, and were given emergency treatment at the Renz funeral home in Cole Camp.

Mrs. L. Z. Bohon, the boy's mother, and Mrs. Josephine Johnson, upon hearing of the fatality, immediately went to Cole Camp.

The boys who were riding in and on the truck were: Jimmy Bishop, 18; Harold Bishop, 13, David Johnson, 14, Paul Johnson, 11; Billy Dey, 12, Norman Bohon 7, and Eugene Bohon 15.

The body was brought to Sedalia and is at the McLaughlin funeral chapel. Funeral arrangements have not been made.

Died Three Days After Husband's Passing

COLUMBIA, Mo., June 3—(AP)—Mrs. B. E. Hatton, 91, died at her home here late last night, just three days after the death of her husband, a painting contractor. Hatton, who was 85, succumbed at the home Sunday. He was Columbia's oldest active business man.

From Jail to Sheriff's Home to Wed

COLUMBIA, Mo., June 3.—(AP)—William F. Wiley, 34, and Miss Vivian Wagner, 27, of Kansas City, were married in the parlor of Sheriff Duke Moynihan's home here today, and then Wiley was returned to his cell in the Boone city jail.

He is being held there for Randolph county officials in connection with the robbery and slaying of a Moberly tavern operator.

Action By Egyptian Navy On

No Truce Hour Yet Been Set to Cease Combat In Palestine

By The Associated Press

The Egyptian Navy went into action in the battle of Palestine as Arabs and Jews stepped up the tempo last night of their land and air asasults in the developing battle for Tel Aviv. The Egyptians claimed 400 Jewish soldiers were killed in fighting near Isdud.

The Egyptian defense ministry said an undisclosed number of its warships bombarded the port of Caesarea, 40 miles north of Tel Aviv, sinking one boat and battering bunldings with direct hits.

The Israeli government said its fighting planes shot down two Egyptian bombers following all-day raids on Tel Aviv, Jewish capital.

The fighting raged as Israeli foreign minister Moshe Shertok and count Folke Bernadotte, the United Natoins mediator, conferred in Haifa. Shertok said a truce hour has not yet been set. Bernadotte was in Amman, the Trans-Jordan capital, and Haifa yesterday trying to obtain agreement between Jews and Arabs on a truce hour.

Clashed on Terms

In the United Nations Security Council it was decided to let Count Bernadotte say precisely what the cease fire order means. Jewish and Arab leaders had clashed over terms both sides attached to the truce agreement.

The British announced they were suspending arms shipments to Egypt, Trans-Jordan and Iraq, and at the same time banned travel to Palestine of Jews of military age from British-Controlled territory.

The actions were taken under the United Nations truce resolution.

The Jewish high command said in Tel Aviv that Israeli fighter planes shot down two Egyptian bombers which attacked the capital of Israel. Jewish ground forces surrounded an Egyptian spearhead threatening Tel Aviv from the south and in the counter-offensive against the Arab triangle of strength in the north were menacing Nablus from two directions, the high command added.

Nablus is the southernmost point in the Arab triangle. The Jews said also they took several more Arab positions within three miles of Jenin, the northernmost point.

Halt Counter Stroke

The Israel communique said the Egyptian column was surrounded near Isdud, 20 miles south of Tel Aviv along the coast. However, an Egyptian communique Thursday night said their forces inflicted several losses on the Jews in a battle at Isdud, and in addition stopped a Jewish counterattack at Negab, six miles southeast of Isdud.

The Egyptians had claimed capture of Negab and two other highway points farther east.

Dispatches from Jerusalem said the Holy City was mostly quiet. An Aran legion commander in the old city said he had issued a 24-hour "hold fire" order at 7 p. m. Wednesday. He added, "Neither side wants war."

Haganah sources report the French and Greek consulates and Greek Orthodox Monastery on the Mount of Olives were hit in shelling Wednesday. The U. S. embassy had three near misses.

Other international developments included:

The Russian released Dr. Harry L. Franklin, high ranking American military government official, 16 hours after his arrest while on an errand in the heart of Soviet-controlled Berlin. Col. Frank Howley said the Russian action was "high handed" and said he would enter a formal protest.

Courtesy Award Winners Thrilled, But Are Surprised

The first award for courtesy given by the Sedalia Chamber of Commerce was announced Wednesday and checks were presented to Mrs. George Keyworth, 1604 East Broadway, who is employed at the Penney store and to Ernest Heller, 1302 East Sixth street at Burkholders.

The board of directors of the Chamber of Commerce recently decided on the courtesy program and turned it over to the Retail Merchants' committee. A secret committee is watching the people of Sedalia who meet the public and will select a man and woman each month for the courtesy awards. At the Chamber of Commerce banquet in November a plaque will be presented to the most popular man and **woman** of the year and such a plaque will be presented each year at the Chamber of Commerce banquets.

Won Sales Awards

Mrs. Keyworth, who for the past seventeen years has been with the Penney company and has received twelve high sales awards in national contests of that company, was on her vacation when the award was announced by the committee.

When reached by telephone Wednesday morning by a reporter Mrs. Keyworth expressed surprise and said she didn't even know the contest was on. "I noticed something about the contest in the paper but I didn't know it was on and I didn't think much about it."

Paul Hedderich, manager of the store, stated that Mrs. Keyworth knew the people who came into the store and made friends with them. She has a unique manner all her own, Mr. Hedderich said. She remembers their families and asks about them when a customer comes in.

Made a Delivery

Going out of her way to accomodate customers is one of her special traits and she hardly realizes that she is doing anything but a kindness to a friend, no matter who the customer is. Once she delivered a mirror she had sold to someone who had no car. It didn't matter that she made a trip across town to do it. It wasn't a point of making a sale, either. The mirror had already been purchased.

Every Customer a Friend

Ernest Heller, too, counts every customer a friend. "I appreciate the check," he said. "Of course, but it is the honor that really thrills me."

Growing up in Sedalia Heller started working in stores here when in his teens and when asked Wednesday how long he had been a salesman laughed and said "Nearly twenty years."

Roy Burkholder, his employer, said Wednesday morning that he had watched Heller in another store and always wanted him to work for him. Then when Heller went into service and came out Mr. Burkholder said: "I had nothing to sell." But he wasn't going to miss the chance of a good salesman. He hired him anyway and Heller has been with him three years.

Customers First

Always smiling, friendly and doing the best he can to please his customers he sells himself along with the merchandise of his employer. People like for him to wait on them. His cheerful manner appeals to the public. If he is ever tired or out of humor he doesn't show it. His customers come first and even on Tuesday morning when R. M. Overstreet, president of the Chamber of Commerce and John F. Zander, secretary-manager went to his store to present him with a check, he left them for a short time to wait on a customer.

Once when a woman customer in a store in which he worked found she lacked fifty cents of having enough to pay for her purchases and the store gave no credit he immediately pulled fifty cents from his pocket and handed it to her. "I'll loan it to you," he said. And she never forgot it.

Heller has been married nine years.

Parade, Street Dance Here On Saturday

Re-dedication Week Program By the Women

You will be reminded of your rights as an American citizen and what they mean to you during the activities to be carried out in Sedalia during Re-dedication Week, preceding the arrival of the Freedom Train, which is June 10.

The Freedom Train carries original historical documents which will be shown to the public free of charge. The train is sponsored by the American Heritage Foundation, a group of citizens who got together to fight the rising tide of indifference and cynicism toward the privileges and responsibilities of American citizenship.

Saturday, June 5, will be Women's Day. Mrs. Vivian McMullin announces the following events.

A Hidden Talent contest at the Liberty theatre, beginning at 10 o'clock in the morning. Numerous entries have been made and three awards will be given.

A Parade Saturday

At 1:30 o'clock in the afternoon there will be a parade, with awards for the winning floats or entrants. The line of march, led by Kroencke's band, will start at the above mentioned hour from Broadway and Ohio avenue, proceed north on Ohio to Main street, west to Osage, thence south to Broadway. At Seventh street the winners will be pulled out of the parade and directed to proceed east in that block. The parade will be **made** up largely of women.

At 9 o'clock that night there will be a street dance in the 100 block on West Fourth street, participants to square and round dance to music from a music machine which will be placed on a truck. The street will be roped off for the occasion.

All events are free of charge.

State Cancer Hospital Bill is Vetoed

Governor Believes It Should Remain Under Merit System

JEFFERSON CITY, June 3.—(AP)—An attempt to take the State Cancer hospital at Columbia out from under the state merit system and leave it an independent agency bumped into Gov. Phil M. Donnelly's veto yesterday.

He ruled the cancer hospital employes, like those in other state hospitals, should be under the merit system. And he decided the cancer commission should serve in an advisory role under the director of the state department of public health and welfare.

Donnelly objected both to the substance of the bill and the way it was rushed through the legislature in the closing days of the 1948 session. He said it was reported out of a house committee before it was officially referred to the committee.

Too Much Speed

That was too much speed, he decided, especially since two earlier bills affecting the cancer hospital had languished in committees. One would have put the employes under the merit system and the other would have clarified the powers of the director of the health and welfare department.

Sponsors of the bill argued in the legislature the cancer hospital was a special case because of the special skills needed to treat patients there. But the governor disagreed. He noted the health and welfare department already controls two other specialized institutions—the trachoma hospital at Rolla and the Mt. Vernon tuberculosis sanatorium.

Vote Dismissal To E. K. Johnston

COLUMBIA, Mo., June 3.—(AP)—The University of Missouri board of curators announced tonight that it had voted unanimously to dismiss E. K. Johnston, veteran advertising professor, from the univeristy faculty.

Johnston surrendered last week to prosecuting attorney Howard B. Lang, Jr., on a charge of sodomy and is free under $3,500 bond pending a preliminary hearing June 11.

The board also approved the action of the school president, Dr. Frederick A. Middlebush, in suspending Johnston last week.

The board's resolution said the actions were taken "for reasons deemed completely sufficient."

Hungary Recognizes Israel

BUDAPEST, Hungary, June 3.—(AP)—Hungary recognized Israel today. She was the tenth nation to do so.

Urge Cut In Aid Programs

Hot Debate is Expected in House Today on Globar Assistance Money

By William F. Arbogast

WASHINGTON, June 3—(AP)—A 25 per cent cut in funds for the Marshall plan and other foreign aid programs was urged today by the House Appropriations committee.

The committee sent to the house floor for probably hot debate tomorrow a $6,043,710,228 global assistance measure.

This is a reduction of only $553,000,000, or 7.5 per cent, in the amount congress itself authorized and President Truman asked.

But the effect is a one-quarter slash for this reason: The authorization law provided that the money could be spent during 12 months. But the committee said the cash it is willing to put up must be stretched out over 15 months.

Trimmed By Committee

Slightly more than $5,000,000,000 of the total asked had been budgeted for use during the 12 months ending next April 3, or at the rate of $417,000,000 per month.

The committee trimmed that total to $4,663,000,000 for fifteen months, a spending rate of $311,000,000 monthly.

Other funds in the bill were cut $150,000,000 with the money to be spent during a 12-month period as originally planned.

In explaining the cuts and spreading out the spending period the committee said the programs contemplated "will not permit the expenditure of more funds than has been provided . . . on an intelligent basis" before July 1, 1949.

Should an emergency arise before then, it added, congress will be in session again next January to take action.

A Summary

In summary, here's what the committee recommended to finance the economic recovery act passed by congress two months ago:

Economic cooperation administration, for aid to 16 non-Communist European nations and western Germany — $4,245,000,000 asked; $4,000,000,000 recommended. Congress had authorized $5,300,000,000 for ECA and already has made available $1,055,000,000.

Aid to Trieste — $20,000,000 asked as a separate item; the committee recommended that this come from the general ECA allotment.

Assistance to Greece and Turkey — $275,000,000 asked, $200,000,000 recommended, with no stipulation as to how the cut should be applied.

Aid to China — $400,000,000 requested and granted.

International Children's Emergency Fund — $50,000,000 requested and granted.

Government and relief in occupied areas, administered by the army — $3,400,000,000 asked, $1,250,000,000 recommended. The committee estimated that bizonal Germany would receive $706,000,000, Japan and the Ryukus $424,000,000, Korea $107,000,000, with the balance to be used "for maintaining law and order" in occupied Austria.

International refugee organization — $70,710,228 asked and granted.

City Sticker License Due

The rush is on—on at the City Hall for the 1948-49 city automobile license stickers The due date for the Sedalia license sticker was June 1, and the city is giving until June 17 before the arrest of violators begins.

City Collector Paul Alpert this morning said less than 1,000 stickers had been sold. The total sale of license stickers for 1947-48 were 3,700.

Those who fail to obtain the license on or before June 17 will be subject to arrest and prosecution in the City Police court. Chief of Police Ed Neighbors stated his men will begin passing out "tags" for police court appearances.

Fines usually assessed in delinquent license cases are $1.00 per month for each month the defendant is delinquent.

Ruling Upheld In Gas Supply To Missouri

Panhandle in Charge of Bias On Claims Made

WASHINGTON, June 3—(AP)—The federal court of appeals today upheld a 1946 power commission ruling authorizing Michigan-Wisconsin Pipe Line Co., to supply natural gas to Michigan, Wisconsin Iowa and Missouri.

The commission, by a three to two vote, approved construction of a pipe line from Hansford county Tex., to the Austin underground storage field in Michigan and a branch from a point in Illinois into Wisconsin.

The commission order was disputed by Panhandle Eastern Pipe Line Co., which now supplies some parts of Michigan and several other middle-western states.

Panhandle charged certain members of the commission with bias, criticized procedure and said there was no proof it could not adequately supply the Detroit-Ann-Arbor area, the largest market served by Michigan-Wisconsin.

Panhandle said also that Michigan-Wisconsin had not proved financial ability to build the line.

Commission sources said the cost of the line is estimated at $135,000,000.

The appeals court ruled that the evidence supported commission findings that: There is a "substantial demand" for natural gas in Wisconsin, Iowa and Missouri communities which receive none at present.

Student Dead, Two Injured

NEOSHO, Mo., June 3.—(AP)—One student from the Northeastern State Teachers college at Talequah, Okla., was killed and two others were injured in an accident on a sloping S-curve 20 miles south of here on Highway 71 last night.

State Patrol headquarters at Springfield identified the dead man as Eual Carl Fielden, 25, of Route 2, Stroud, Okla.

The injured, taken to a Neosho hospital, are listed by the Patrol as John Standridge, 25, owner and driver of the car, and James Martin, 24, both of Talequah.

Standbridge's wife said her husbond suffered a possible jaw fracture, cuts and bruises, while Martin is being treated for a broken right arm and cuts about his head and face.

Mrs. Standbridge said State Troopers told her the car went out of control three miles south of Lanagan, Mo., and hit a telephone pole.

Legion Post No. 16 Plans to Buy Bldg.

Negotiations are under way for the purchase of the building located at 114 East Fifth street, now owned by the Knights of Pythias organization, by Post 16 of the American Legion, of which John VandeKamp is commander.

The Legion post plans to use the third floor, now the K. of P. hall, for its own use; to rent the second floor to lodges or organizations for meeting purposes and the first floor as a business house, as it now is.

Woman Found Dead in Car

SPRINGFIELD, Mo., June 3—(AP)—Mrs. Bertha Freund Fayssoux, 38, of Washington, D. C., was found dead from carbon monoxide poisoning in her car here this afternoon. She had been despondent over the death of her husband in Washington two weeks ago, according to relatives whom she was visiting here.

The car was found parked in a cemetery, with a garden hose attached to the exhaust pipe leading inside the closed auto.

Car of Police Chief Afire

Faulty wiring on a car caused the fire department to go to 312 East Fourth street Thursday where the car was billowing smoke. The car, a 1941 Plymouth coupe belonging to Chief of Police Edgar Neighbors, was parked in an alley behind Neighbors' house. No damage resulted.

Pass Bill Lifting Tax

WASHINGTON, June 3—(AP)—The House passed today a bill lifting the 10 per cent excise tax from cosmetics used in personal services in barber and beauty shops. The bill now goes to the Senate.

Truman In Change of Plans

Will Fly Over Flooded Area—To Give Address in Chicago Tonight

By DOUGLAS B. CORNELL

ABOARD TRUMAN TRAIN EN ROUTE TO CHICAGO, June 3—(AP)—President Truman started westward tonight to test his election year oratory on an 8,500 mile trip through 18 states.

Mr. Truman swung aboard his special train at Washington and left on the talking tour at 10:07 p. m. (EST).

There had been hints from railway unions that pickets might be on hand at the Washington station. But no pickets were in sight when Mr. Truman went aboard his private car.

WASHINGTON, June 3—(AP)—President Truman revised his western trip plans today and will fly over the flood areas in Oregon Friday of next week.

The White House earlier had said original plans called for a train tour of the flood areas. It added the whole itinerary between Olympia, Wash., and Berkeley, Calif., is now "tentative" because of the floods.

It announced that the President's Seattle speech next Thursday night definitely will be made, but said the President will tour the flood region by airplane instead of train.

Mr. Truman leaves by train on his western trip tonight.

He is going in a mood to fight for a new term in the White House.

The White House calls the trip official and non-political. The Republican high command says it is strictly politics.

In any event, Mr. Truman will go on exhibition before countless potential voters on the first transcontinental train journey he has made since entering the White House. And Democrats and Republicans alike will get a chance to size up his drawing power.

Be "Fighting Speeches"

A Democratic leader in a position to have the facts told a reporter:

"You can look for fighting speeches and some strong pokes at Joe Stalin and the Republican party record. Of course, the President doesn't figure on hurting himself politically on this trip."

This party official said Mr. Truman is counting on hammering hard on foreign policy, reciprocal trade with other countries, public power and reclamation, defense, the farm program and other top topics.

The President has billed five major speeches, the first tomorrow night in Chicago, the last in Los Angeles June 14.

The other big speeches will be at Omaha Saturday, Seattle, June 10, and Berkeley, Calif., June 12.

And all along the way, the President will be popping out of the back platform of his 16-car special train to chat informally to wayside audiences. Two such appearances are on tap tomorrow afternoon at Fort Wayne and Gary, Ind.

As he packed for his travels, Mr. Truman still had not sewed up the Democratic presidential nomination next month. He has 597 delegates pledged or claimed for him by state party leaders. That is 21 shy of the 618 needed to clinch the nomination.

Many southerners still are up in arms over his civil rights stand and clamoring for another candidate. Mr Truman has shown not the slightest intention of stepping aside for someone else.

Higher Prices Pressure Ahead

ST. LOUIS, June 3.—(AP)—The Federal Reserve bank said today there is further pressure in sight for higher prices.

"There has been an increasing amount of buying financed on credit," the bank's monthly review said. "It is one of the signs of growing pressure on incomes and an additional source of inflationary pressure on prices."

Further pressure, the review continued, can be expected to come from the reduction in income taxes and a gradual increase in military expenditures and foreign shipments.

Partly offsetting the inflationary trends is a hope for lower prices on some farm products, resulting from a possible decline in food shipments to foreign countries.

"A constructive approach" is represented in price reductions in steel and electrical equipment, but they are scattered, the bank said, and are not sufficiently widespread to have much effect on consumers' costs.

The bank observed that U. S. economy has been operating at near capacity levels for the yast several months. Demands here at home and overseas have doubled factory production over the 1935-39 period.

The Weather

Fair and warmer Friday and Saturday; highs Friday 85 to 90.

Mr. and Mrs. George Walz, of Route three, Sedalia, announce the engagement of their daughter, Helen Ruth Walz, to Mr. Jewell Myers, son of Mrs. Dixie Myers of Green Ridge. The wedding will be June 19 at Sacred Heart church.

Mrs. Edith Gochenour, of Otterville, announces the engagement and approaching marriage of her daughter, Billye Ann, to Mr. Junior Kruse, of Florence.

The marriage will take place June 19.

Before an altar setting of palms, baskets of gladioli and lilies, and tall standards with lighted white tapers, Miss Anna Mae Gerster, daughter of Mr. and Mrs. Roy Ernest Gerster, 621 East Tenth street, became the bride of Mr. Robert Browneller Cain, son of Mr. and Mrs. W. C. Cain, 1213 South Carr avenue, at 4 o'clock Sunday afternoon at the Fifth Street Methodist church. The double ring service was read by the Rev. H. U. Campbell, pastor of the church.

As Mrs. Fred J. Handley at the organ played To A Wild Rose (McDowell) as the candles were lighted by Miss Janet Stanley and Mrs. Robert J. Murray. Both wore dresses of blue crepe with corsages of yellow carnations.

Mrs. Handley preceding the ceremony played Clair De Lune (Debussy) and Ava Maria (Schubert) and accompanied Mrs. Shelby Hunter who sang I Love You Truly (Bond) and Because.

During the ceremony Mrs. Handley played Always. As the processional she played the Bridal Chorus from Lohengrin by Wagner and as the recessional Mendelssohn's Wedding March.

The bride, who was given in marriage by her father, selected for her wedding a dress of aqua blue crepe fashioned with a four tiered skirt. Her only jewel was a diamond pendant, the gift of the bridegroom. She carried a bouquet of gardenias, roses and stephenotis.

Mrs. Rex Taggart, sister of the bride and her only attendant, wore a dress of yellow crepe fashioned similar to that of the bride's and carried a bouquet of blue carnations.

Mrs. Gerster, mother of the bride, wore a gray dress with black accessories and her corsage was of yellow roses.

Mr. Cline Cain, brother of the bridegroom, served as best man.

Ushers were Mr. Jack Murray, Mrs. John Griessen, III, Mr. Robert Fingland and Mr. George Witzofsky.

The couple left immediately following the ceremony on a wedding trip. The bride's traveling costume was a gray pinstripe suit with which she wore black accessories and a corsage of gardenias.

The bride was born and reared in Sedalia. She was graduated from the Smith-Cotton high school and later from the Central Missouri State college at Warrensburg. She was employed as service representative of the Bell Telephone company in Kansas City for three years and for the past year has held the same position in Sedalia.

Mr. Cain was born and reared in Sedalia, was graduated from the Smith-Cotton high school, after which he served about four years in the U. S. Navy. He is now associated in business with his father in the Cash Hardware store.

The couple will reside at 620 West Broadway.

Guests here to attend the wedding were: Mr. George Ware, of St. Louis, Mr. and Mrs. Rylan Lampkin, Appleton City, Mr. George Witzofsky, St. Louis, Mr. and Mrs. George McLaughlin, Kansas City, Mr. and Mrs. W. P. Hall, Mr. and Mrs. Earl Hall, Mrs. J. P. Sanders, of Jefferson City, Mrs. E. E. Smith, Muscatine, Ia., Mr. Jacob Gerster, of Clinton, Mr. and Mrs. Rex Taggart and daughter, Karen Sue, of Kansas City, Mr. and Mrs. Robert J. Murphy, Lawrence, Kas.

fore an improvised altar of gladioli, smilax and two seven branch candelabra in front of the fireplace. Arrangements of flowers and white tapers were used throughout the home.

Miss Lillian Fox at the piano accompanied Mrs. George Peak, who sang "Believe Me If All Those Endearing Young Charms" and "Ava Maria" preceding the ceremony and "The Lord's Prayer" as the benediction. Miss Fox, wearing a white dress and corsage of yellow carnations and tuberoses, also played "Nocturne E Flat" and "Traumerei." Mrs. Peak, a cousin of the bride, wore a black and white print jersey and her corsage was of pink carnations and tuberoses.

As the processional Miss Fox played the Bridal Chorus from Lohengrin and as the recessional she played Mendelssohn's Wedding March.

Miss Margaret Ann Wade, in a dress of white butchers linen and wearing a corsage of pink carnations and tuberoses, lighted the candles.

The bride, given in marriage by her uncle, Mr. Fred Brink, chose for her wedding dress a moonstone blue crepe, street length, with which she wore a corsage of red rosebuds and tuberoses.

Mrs. Everett J. Kirby, Jr., of Salisbury, the bride's only attendant, wore a white suit with a corsage of Japanese iris.

Mr. Everett J. Kirby, Jr., served Mr. Magill as best man.

Mrs. Hausam wore a street length dress of sea spring blue taffeta with a corsage of yellow rosebuds, and Mrs. Magill, mother of the bridegroom, wore a dress of navy blue with a red rosebud corsage.

A reception was held following the wedding, at which a buffet lunch was served. The lace covered table was centered with a three tier wedding cake encircled with sweetpeas, tuberoses and ferns, which was served by Mrs. Charles Maggard, another cousin of the bride. Others assisting were Mrs. Fred Brink, the bride's cousin, Mrs. Lodelle Morriss and her two sisters-in-law, Mrs. Paul Hausam and Mrs. Harold Hausam.

The bride was born and reared in Sedalia, was graduated from Smith-Cotton high school, attended Fayette and Wednesday was graduated from the Central Missouri State College at Warrensburg, where she received her B. S. degree in education, with a major in English and a minor in history.

Mr. Magill was reared in Salisbury, attended school there and then attended Northwest State college at Kirksville. He served four years in the United States Navy with a rank of lieutenant (j. g.) after which he returned to Kirksville to graduate, receiving a major in biology and chemistry and a minor in physical education. The fire companies were called out about 10:10 o'clock Saturday night to the 2000 block on West Broadway where a short in the wiring in an automobile had started a small fire. Slight damage resulted.

Closed Day With Reception

A reception, attended by several hundred persons, held at the Armory Thursday night, concluded the jubilee celebration of Father A. J. Brunswick, pastor of Sacred Heart church, who was observing his silver anniversary as a priest.

The Armory was decorated in flowers, lighted candles and greenery. On a long table was a huge birthday cake, silver icing reading "Silver Jubilee." Lighted candles and flowers were on either side, and silver plates held the individual cakes, nuts and mints. These, with ice cream and punch, were served by a number of girls and matrons, all wearing formals.

The day began with a High Mass at Sacred Heart church at 10:30 o'clock in the morning, Bishop. Jos. M. Marling and 37 priests being in the sanctuary. This was followed by a dinner for the clergy at the Old Missouri Homestead.

Remodeling Building At 514 South Ohio

Remodeling of the entire first floor and basement of the building occupied by the Singer Sewing Machine 514 South Ohio avenue, will begin Tuesday, at an estimated cost of $10,000.00, which will not include new counters and equipment of various types.

The store will be kept open for purchases of sewing needs, parts and machines but other departments, the sewing room, repair service, and other services will be closed for three or four weeks until the remodeling is completed.

The building will have an entire new modern front with light gray structural glass, which will enter into the large sales and demonstration room. Back of that will be the sewing room and on further will be the new feature that is being added, the service of molding dress forms. The sewing room will be one of the finest and all of the new ideas of the company will be found at the Sedalia store. The walls and cabinets will be green and the carpets a rose shade. The rear of the building will also be remodeled.

Work on Basement

The basement will be refinished and in it will be the new repair department, the organization room and the store room.

New lighting fixtures, new plumbing and heating will be installed.

The Singer company also has a new custom built truck for the delivery of machines.

The building is leased by the Singer company from Arthur Brill.

Jack Mitchell is the manager of the store.

This donor lived in the county. Through the Red Cross representative in this particular township the donor was located and in thirty minutes was on his way to Warrensburg. This type of service can only be given by an efficient far reaching organization.

Child Buried In Pink Lace

CHICAGO, May 29—(AP)—Tiny Nancy Schuler—eight-year old victim of a sex slaying—tonight lay in her coffin dressed in a pink lace dress that resembled a bridal gown.

Her father, Elmer, and her stepmother made a special shopping trip to buy the dress.

"She always told me that she, too, would be a bride," her father, a factory worker, said.

"She'd see wedding dresses in magazines and at weddings and she'd say: 'I want a dress like that. I want to be a bride.'"

Hundreds visited the funeral home near Nancy's northwest side home. The body was to be sent later tonight to Catasauqua, Pa.—near Allentown—for burial Monday. The paternal grandparents live in Catasauqua and Nancy's mother, Mrs. Ruth Kratzer, 27-year-old divorcee, lives in Allentown.

Meanwhile, the state attorney office said it would ask the grand jury Tuesday to indict husky Roy Adams, 14, on a charge of murder.

Thirty Types Of Tape Worms

WASHINGTON, May 29—(AP)—The atomic bomb is about to give science a peek at the secluded life of the tape worm.

An Atomic Energy Commission official, explaining this today, said yes, sir, it's a serious problem.

Tape worms come in more than 30 "families" or kinds. In one stage or another they are pests to fish, man and beast.

One type is believed responsible for causing pearls in oysters. Another lives in the intestines of human beings.

The commission is setting up a project called:

The nutrition of the tape worm.

This worm is believed to absorb its nourishment through its body wall.

The AEC official said the worm project is an example of how the by-products of the atomic plants now are helping solve hundreds of problems, both big and little, in American life.

'Si' McVey To Retire As M-P Machinist

Began at Sedalia Shops in 1896; A Good Ball Player

J. S. "Si" McVey, machinist at the Missouri Pacific shops will retire from active service June 1st, after a long and colorful career in the railroad game.

Mr. McVey began his railroad career as an apprentice at the old Missouri Pacific shops in Sedalia in August, 1896, under S. P. Weller master mechanic, P. G. Tredway, machine shop foreman, Charles Carroll, roundhouse foreman, and C. Briggs, gang foreman.

After completing his apprenticeship in August, 1900, he was employed by the M. K. & T. at Parsons, where he worked about three months, going from Parsons to Topeka, Kas., where he was employed on the Santa Fe.

Went to California

After being there about three weeks Mr. McVey's baseball talents became known and he was transferred to San Bernardino, Cal., where the Santa Fe was fielding a crack baseball team. "Si" promptly became a member of this team and with "Chief" Meyers, famous Indian, who later became a catcher for the New York Giants under John McGraw, divided the catching for this team, which played in the winter league in California from San Bernardino to San Diego. C. Briggs, who was gang foreman in Sedalia, also was a foreman there and T. P. Madden, former boiler inspector for the Missouri Pacific was boiler foreman there at that time.

In April, 1903, Mr. McVey left the Santa Fe and came to Kansas City for a visit with friends, then came to Sedalia, where he was employed at the old shops. About 30 days after the new shops opened Mr. McVey was sent to the new shops to supervise the unloading and classifying of parts for locomotives to be repaired at the shops. There were about 50 carloads of supplies to classify.

Left Here During Strike

Following the machinists strike in 1910 he worked for the St. Joseph Grand Island, a branch of the Union Pacific, but after being there about eight months moved on to Pittsburg, Kas., with the Kansas City Southern. While there he received a telegram from John McGraw, master mechanic at Sedalia, asking him to return to Sedalia. Mr. McVey was machine shop foreman, handling gangs on the erecting side from 1907 under Jack Butler and John McGraw until 1930.

For the past 18 years Mr. McVey has been a machinist at the shops and for the past several years tool machinist in the boiler shop tool room.

Aside from being one of Sedalia's oldest and best known railroaders, McVey was some "shucks" as a baseball catcher as his gnarled fingers can attest. He played on all of the fine teams of his playing career period, the Goldbugs, Eclipse, the Missouri Pacific team and many others.

Mr. and Mrs. McVey will continue to reside in Sedalia at their present address, 641 East Tenth street.

Slightly Injured When Car Hits Parked Auto

Royal Kellner, 418 North Hurley, received a slight laceration of his upper lip, when his automobile, a 1941 Plymouth coach, crashed into the rear of the parked 1930 Plymouth sedan of William A. Interment was in the Crown Hill cemetery, with the Masonic Order conducting services.

More Called to Bolster Dikes

PORTLAND, Ore., June 3.—(AP)—Reinforcements were called to softening dikes tonight as the crest of a new Columbia river flood began rolling through the already-devastated Columbia river basin.

Two hundred and fifty soldiers were rushed to Portland to help the thousands already straining at the dikes. Seaward from here, exhausted dike-workers issued a plea for more manpower.

The possible death toll of the Columbia's most costly flood appeared likely to rise tonight with a Red Cross report that 13 children and 2 adults from the flood-smashed city of Vanpor have not yet been located. The flood—outside the Vanport—has taken at least 23 lives.

The federal government threw its weight into the flood battle. President Truman was scheduled to survey the flood area June 11. Assistant Secretary of the Interior C. Girard Davidson promised interior department equipment and manpower without awaiting a congressional appropriation. "There is no time to wait," he said.

A new flood, born of melting snow, rose steadily in the Columbia river's tributaries today while the original one still splashed over thousands of fertile acres, towns, and industries along hundreds of miles.

Veterans Are Having Dances

Climaxing a week of redication to "Our American Heritage," the combined veterans organizations of Sedalia are sponsoring a dance at 9:00 o'clock Wednesday night, June 9, at Convention Hall at Liberty park. Lee Brandt's orchestra will furnish the music.

Tickets may be obtained from the members of the American Legion, Veteran of Foreign or Navy Club, and all money in excess of expenses will be turned over to the Freedom Train fund.

There will be a dance the same night at Legionairres Rest, Main street and Lamine avenue, sponsored by Post 98. The Swingmasters will play.

No Excise Tax on Treasures Sold

ST. JOSEPH, Mo., June 3.—(AP)—The last of the Hax family treasures went on the auction block today before a crowd of antique collectors.

The St. Joseph Art League and the Ladies Union Benevolent Association, will divide the proceeds under the will of the late Mrs. Frederica Hax. Today's sale consisted of silverware, jewelry and furs.

A silver tea set sold early for $205. Jewelry offered among the 210 items included a wrist watch set with 22 diamonds.

The Internal Revenue office ruled that no excise tax was to be collected.

More Cases of Polio In Texas Week Ago

Austin, Tex., June 3—(AP)—Sixty new cases of polio were reported in Texas last week compared with 39 the previous week and each mail brings reports of new cases, the state health department said today.

Total cases for the year reached 294 compared with only 183 for all of 1947. It was reported the navy will use planes to spray DDT in the Corpus Christi area; other preventive measures were being employed throughout the state.

Governor Busy On Vetoes

(Continued from Page One)

000,000 more in state income taxes than first anticipated.

He said the legislature over-appropriated the original estimates of 1948-49 revenue by $1,950,066. Since one-third, or one million of the expected $3,000,000 income tax windfall goes to schools, the remaining $2,000,000 will "just about take care of" the over-appropriation.

"While we recognize the importance of education in a democracy," Donnelly wrote, "we also should recognize the necessity of maintaining and supporting other functions, institutions and departments or our state government.

"I realize that teachers are entitled to increases in salary; however in view of the fact that this state fund for public schools has been greatly increased in recent years, x x x the question naturally arises as to whether or not the state funds are being used for teachers salaries or for other purposes."

Action on the omnibus bill completed the governor's work on bills passed by the legislature during the 1948 session.

Denver Atty. is Found Dead

DENVER, June 3—(AP)—Ben W. Laska, Denver attorney convicted of accepting ransom money in a sensational 1933 kidnaping, was found dead today at his residence. Detective Sgt. Arthur A. Roush said Laska left six notes indicating suicide.

The cause of death was not immediately ascertained, Roush said.

Laska was convicted in 1935 at Oklahoma City of accepting $10,000 of the ransom money paid in the kidnaping of Charles F. Urschel. Laska was accused of accepting the money as a fee to defend Albert L. Bates, one of the kidnapers. Laska was given a 10-year sentence and released on a parole in June, 1941. President Truman granted him a full pardon in March, 1947.

After the pardon, Laska sought reinstatement to the Colorado bar. His request was pending at his death.

Sending Lad to Cattle Ranch

OKLAHOMA CITY, June 3 —(AP)—The immediate future was settled today for 12-year-old Ronnie Peterson, one of two fifth-graders who commandeered a small plane and flew it 120 miles without mishap May 18.

After a juvenile court conference yesterday Ronnie's stepfather, Mike Knight, said he was sending the lad to Boys' Ranch near Amarillo, Tex.

The ranch is part school, part cattle range and is supposed to be good medicine for young men who want life to be strenuous.

Ronnie's 11-year-old partner in the bizarre flight, Jimmy Bodard, will have his fate decided next week by juvenile authorities.

The boys' exploit left law officers and aviation experts with their mouths open. They had taken to the air in the plane and landed it safely 120 miles away—with nothing better than comic books for instructions.

"It was easy," the two youngsters said. "There was a button that said 'starter' on it, and of course we knew what the throttle was for."

Short Will Not 'Be Bell Hop'

WASHINGTON, June 3.—(AP)—Rep. Bennett (R-Mo) said today if Rep. Short (R-Mo) becomes chairman of the house armed services committee would "put an end to the business of congress skipping the rope to the tune of the Pentagon brass hats."

Representative Short is in line for the chairmanship since Chairman Andrews (R-NY) has announced he will retire.

In a statement Bennett said:

"An advocate of strong national defense, Short will nevertheless not be a bell hop for those whose records have shown them to be apostles of waste, extravagance, jingoism, warmongering and military control of America in peacetime."

Should Short gain the top post, Bennett said it would mark the first time that a Missourian has held the chairmanship of the committee or its predecessor, the military affairs committee.

Grease Skids For Money Bill

WASHINGTON, June 3.—(AP)—The House greased the skids today for a $3,686,733,250 navy money bill, boosting to more than $10,000,000,000 the defense funds voted in 24 hours.

The same quick passage that was given yesterday to a $6,509,939,000 army-air force appropriation measure was certain for the navy bill.

The army-air force fund skimmed through the house by a 348 to 2 vote after less than two hours of listless debate. The only members who voted against it were Reps. Marcantonio and Isacson, New York American-Laborites, and they didn't talk against it.

Both bills require Senate approval before going to President Truman.

Would Let Aliens Enlist

American Foreign Legion Plan is Suggested

By JACK RUTLEDGE

WASHINGTON, June 3.—(AP)—A long-discussed plan for an American foreign legion to boost manpower for defense was formally introduced today as an amendment to the senate draft bill.

The proposal was made by Senator Lodge (R.-Mass.) shortly after the house had approved the largest naval appropriation in peacetime history—$3,686,733,250.

Lodge suggested that 50,000 aliens be allowed to enlist in the American armed forces for five years. They would serve only outside the United States and its territories. At the end of that time they could become U.S. citizens.

Chairman Gurney (R.-S.D.) of the senate armed services committee promptly said he would oppose the foreign legion plan. He said it had been studied by his committee and unanimously rejected.

Another senate draft bill amendment was offered today. Senator Capehart (R.-Ind.) introduced an amendment that would put responsibility for ordering a draft up to the President. A similar bill has been offered in the house.

'Up to Congress'

But Gurney said: "We either need a draft or we don't "It's up to congress, and not the President, he said, to accept responsibility.

Under Capehart's proposal, the President would get power to announce that more manpower was needed and that volunteers could not fill the gap. The draft would then become effective 90 days later.

The navy bill was approved without controversy by a voice vote. Yesterday the house voted and sent to the senate a $6,509,939,000 money bill for the army and the air forces.

Together, they total $10,196,672,250. Congress previously had voted $3,200,000,000 for aircraft procurement, bringing to over 13 billion the money America plans to spend on defense in the fiscal year beginning July 1.

The navy bill, whoch goes to the senate, authorizes work to start on a 65,000-ton aircraft carrier, largest in the world. It also boosts naval and marine corps personnel to 552,000. The two now have an estimated 478,000.

Yesterday's bill for the army and air force authorizes them to have a peak strength of 1,250,000 during the coming year. Present strength is estimated at 542,000 for he army.

Feel Sure They Saved the Base

DETROIT, June 3.—(AP)—Young pilots who defended Selfridge field against the nation's mightiest peacetime horde of bombers were confident today they had saved their base from becoming a theoretical rubble.

But the air force waited for pictures to tell the story.

The mock bombing raid over the Michigan base came with scant warning. It was the biggest the air force has staged since V-J day.

Target for the 200 B-29 bombers and 150 escort planes was the strategic Selfridge air base, located about 30 miles from Detroit's industrial arsenal.

The air force announced that bombers and the P-51 escort craft had assembled from all over the nation for the test. It remained mum, however, on the results.

Meanwhile, members of Selfridge's 56th fighter group gave their own version of the assault and the defense they put up with their P-80 jet planes.

Their reports were enthusiastic.

Bumps Likes Ice Cream, so He Buys His Own

GLEN GARDNER, N. J., June 3.—(AP)—Bumps, a year old fox terrier with a penchant for ice cream, pays his own way in this community's soda parlors.

Mrs. Ingrid Panagos, the dog's mistress, became embarrassed when bumps would sit and beg for ice cream from a soda jerker. She purchased a key chain with a coin device and fastened it to the pooch's collar.

Now when Bumps gets that ice cream look, Mrs. Panagos puts a nickel in the coin container, opens the front door of her home and off goes Bumps to enjoy his favorite repast.

Chiefs Subdue Brookfield by 22-7 Score

Next Game be At Boonville on Saturday Night

Don McMillan, Jim Egbert and Joe Imhauser combined their pitching efforts before a large crowd Thursday night at Liberty park and the Sedalia Chiefs walloped the Brookfield club to the tune of 22 to 7.

McMillan started for the Chiefs and was nicked for a run in the first inning. He worker the first five innings and allowed but one hit and fanned 10. Egbert worked the next two and Imhauser finished the game. Something unusual was offered in the late innings Imhauser pitched both right and left handed during his stay on the mound.

The Chiefs scored four runs in each of the first three innings and came back with five in the fourth to run the score 17 to 1 when manager Walter Jesse made numerous substitutions in the lineup every player in uniform getting into the game.

Led In Hitting

Wyatt a righthander started for the visitors and was replaced by Lefty Mundell who finished the game. Barbour, Schumaker, McMillan and Hawley each collected two hits to lead the Sedalia hitters.

Tooey led the visitors attack with two three baggers in four trips to the plate.

Saturday night the Chiefs play a league game at Boonville with "Ducky" Eschbacher the starter for Sedalia. On Sunday the Chief journey to Lawson for a game there with McMillan, Egbert or Imhauser ready for pitching chores.

Next Friday night the Chiefs will meet the Moberly Ban Johnson League team in a game at Liberty park. Moberly defeated the Sedalia team in the opening game of the Ban Johnson League season at Moberly and the locals are anxious to avenge this defeat.

Has Coin Given Him By Jesse James

POPLAR BLUFF, Mo., June 2—(AP)—Ezra Deem, aged 79, today exhibited a five cent coin which he says was given to him by Jesse James as he sat on Frank James' lap at Deem's father's home near Fairfield, Ill., in 1873.

Deem, who doubts the story of an Oklahoma man who claims to be Jesse James, said the James boys had a hideout near Dexter, Mo., in a log house which still stands. He has carefully kept the old coin, Deem says, and for many years wore it on a string suspended around his neck.

Talk on Recent Court Ruling On Religion

The implications of a recent Supreme Court decision affecting religious instruction in the public schools, was discussed in a talk by the Rev. C. Arthur Freeberg, pastor of Trinity Evangelical Lutheran church, before the Sedalia Kiwanis club meeting in Bothwell hotel Thursday noon.

A Champaign, Ill., mother a year or so ago brought suit in court protesting the practice of conducting religious training in the public school in which her child was a pupil.

The case reached the Supreme Court of the United States which handed down a decision to the effect that this practice was unconstitutional, that religious instruction should not be a part of the public school program.

Might Be Detrimental

The speaker suggested that this decision had the possibility of imperilling the teaching of fundamental concepts of religion to American youth, particularly the segment not reached or only partially reached by the church, that strict interpretation of the decision might prevent the service of chaplains in state and national legislatures, in public institutions, and in the armed services.

He urged business and community leaders to give thought to the ultimate effect this prohibition against religion instruction in the schools may have on future generations.

Lawson Clingan was program chairman and introduced the speaker. Bert Hathaway, vice president, presided in the absence of President Ben Robinson who is attending the International convention in Los Angeles.

Dr. Floyd Lively and James F. Downs were welcomed back as reinstated members.

Club members, in song, saluted new grandfather, Howard Roberts, who replied with distribution of cigars.

Prevented Depression

WASHINGTON, June 3—(AP)—The European recovery program prevented a United States depression, Rep. Cannon (D-Mo) says.

Cannon commented during House Appropriation committee hearings on foreign aid that without the program farm prices would have "collapsed" and "we would be in the midst of a depression at this time."

Much of the same view was expressed by Undersecretary of Agriculture Norris E. Dodd and another committee member, Rep. Mahon (D-Tex).
